

## DRAWS PART OF OSBORNE REWARD

Phelps Postmaster Gets \$400 For Apprehension of Noted Swindler

Jerry Holland, postmaster at Phelps who furnished information last December to federal authorities which led to the arrest of "Oliver Osborne," has according to the Vilas County News, received two-fifths or \$400 of the \$1000 reward offered for the capture of "Osborne."

There were five claimants for the \$1000 reward, and in dividing it out the U. S. department of justice decided as follows: Two of the claimants not allowed to participate. Chief of Detectives Wm. O'Connor of New York City received one-fifth; Detective Sergeant J. J. Duffy of Chicago, two-fifths and Jerry Holland, postmaster at Phelps, two-fifths.

It was through Jerry Holland of Phelps that Charles H. Wax, the mythical "Oliver Osborne" in the Rae Tanzer \$50,000 breach of promise case, was arrested in December in Chicago. Wax was a noted bunco man and last June was a guest at Ober's Lodge on Big Twin lake, three miles out of Phelps. Wax posed as Dr. Francis J. Burke, a retired army surgeon.

## ELECTRIC CHAIR FOR WALTONEN

A verdict of murder in the first degree was returned by a jury in New York city on Monday against Arthur Waltonen, self confessed leader in a burglary conspiracy that caused the death of Mrs. Elizabeth Nichols at her home in that city on Sept. 8, 1915. Before the murder Waltonen was employed in the Nichols home as a butler and stated on the witness stand that he had arranged with Owey Talas, who is now serving a life sentence for complicity in the crime, to admit a party of thieves into the home, who obtained jewelry valued at thousands of dollars which they later disposed of for \$800. During the robbery Mrs. Nichols was killed. Waltonen was captured in Ironwood last summer, where he had been employed as a barber. A telltale scar on one of his fingers, mentioned in a circular offering a reward for his capture, proved his undoing as a patron of the barbershop, when shaved by him, noticed the scar, told an Ironwood attorney and the two consulted with New York authorities, resulting in Waltonen's arrest by detectives from New York. During the journey to New York Waltonen attempted to escape by jumping from the train near Newark, but was captured.—Hurley Miner.

## CITY BAND HAS THIRTY MEMBERS

The local band under the direction of E. K. Riek, is now numbered to thirty members, and is at the present time the best band in the history of Rhinelander. The boys are having weekly rehearsals and are taking great interest. Several talented musicians have located here through the efforts of the leader and a number of young musicians have been added to the membership. Our citizens can look for some good concerts as soon as the weather permits. The boys are contemplating purchasing new uniforms in the near future. There is also some talk of the boys going to the state fair this fall. The following members were elected officers at their last meeting:

E. K. Riek, Director  
Grant Bellamy, President  
Ed. Swanson, Vice President  
Edward Squier, Secretary  
Oscar Nelson, Treasurer  
Louis H. Danner, Manager  
Rhinelander can be proud of a good band.

**SELLS VENISON**  
S. J. Gwidt and M. C. Cloren, conservation wardens, arrested Charles Frederick of Harshaw, for selling one deer in November, and Carl Taylor, also of Harshaw, for selling one deer. Both pleaded guilty before Judge Smith and paid fines and costs.

Miss Loretta Stoddard, who has been ill, has resumed her position at the Wood hardware store.

## ARTIST DEAD; WAS FORMER RESIDENT

Albert C. Jewell, Who Died In East, Lived Here From 1883 To 1892

Old residents of Rhinelander will learn with regret of the death of Albert C. Jewell, an artist of national prominence, who from 1883 to 1892, resided in this city. He died in Philadelphia, Pa., Friday, January 26. He was a brother of Willis P., and George C. Jewell of this city.

Albert C. Jewell was born in Berlin, Wis., July 17, 1859. He came here with his father and brothers Willis, and George, in the spring of 1883 and with his brother, Willis, started a grocery store, under the firm name of A. C. & W. P. Jewell. He continued in the store for some time, but later sold out and began to buy lots and erect buildings. He was an artist by profession and after moving to Chicago was cartoonist for the old Inter-Ocean during the exciting times of the Cleveland and Harrison campaign. Mr. Jewell's political cartoons were copied from coast to coast by the leading papers, and during the World's Fair, he was engaged to work upon the large signs for the German Cavalry troupe sent over at that time, he being the one man in Chicago who could step up to the big boards and paint true to life the men and horses; many will remember the big signs several hundred feet long with men and horses life size. He was engaged to do scenery work in several play houses also and his portraits of the chief of police and fire chief were hung in the City Hall in Chicago. Deceased was married in this city to Miss Addie Griffith and they traveled over most of the United States. Mr. Jewell did not often write to his relatives and it has been many years since he was heard of until the word came of his death. The funeral was held Wednesday and was in charge of the Stonemen's Fellowship. Deceased is survived by his wife and one daughter and three brothers, Willis P., and George, of this city and Walter of Antigo; his father died in this city in 1899.

## EIGHTY-ONE AT ANNUAL BANQUET

Woman's Club Observes Gentlemen's Night At New Hotel Oneida

The Woman's Club held its annual banquet Thursday night at the Oneida Hotel where an especially prepared menu was served. The guests eighty-one in number, are enthusiastic over the success of the entertainment and banquet, which formerly had meant strenuous effort on the part of the club members to prepare the annual feast on gentlemen's night which this event celebrated.

Both large and small tables were used in the spacious dining room and were made attractive by candlelight and red carnations, the club flower.

Later in the evening the floor was cleared and dancing was enjoyed by many.

Following was the menu:  
Fruit Cocktail  
Celery  
Cream of Tomato Soup  
Roast Young Turkey  
Cranberry Sauce  
Snowflake Potatoes  
Green Peas  
Head Lettuce Salad  
Thousand Island Dressing  
Vanilla Ice Cream  
Assorted Cakes  
Coffee

## STOCKHOLDERS TO HOLD BANQUET

A Rhinelander Hotel Co. stockholders' banquet will be served in the dining room of the Oneida Hotel, Wednesday, Feb. 7, at 7:30 p. m. Plates for this dinner will be \$1.00 and all stockholders and their guests are requested to be present.

Immediately following the banquet at 8:30, the annual stockholders' meeting will be held in the dining room of the Oneida for the election of two directors to hold office for three years and for the transaction of any and all business that may come before the meeting. It is hoped that all stockholders will be present at the dinner, but those not attending the dinner are requested to attend the annual stockholders' meeting at 8:30.

## ONEIDA FARMERS FORM LOAN ASS'N.

Federal Organization Here Already Applies For \$35,000 In Loans

Application for \$20,000 in loans being necessary to form a government Farm Loan Association and \$35,000 having been applied for the local Farm Loan Association closed their charter last Saturday afternoon and elected the following:

Director, C. B. Howe, Peter Christman, Ed. Wemple, W. P. Jewell, O. H. McLaughlin, Emil Hack and Thomas Leith.

The loan committee examine and approve, retain or reject applications for loans and O. H. McLaughlin, Thomas Leith and C. B. Howe were chosen loan committee.

At the board meeting held at the close the following officers were elected:

President, C. B. Howe.

Vice-Pres., O. H. McLaughlin.

Sec.-Treas., John F. Wilde.

Any farmer desiring to apply for a loan from the government for 5% through the Federal Loan Bank at St. Paul can apply in person or by letter to the Secretary-Treasurer and the application will be considered by the board at their next meeting.

## TOWNS TO EXTEND THE "DRY" ZONE

Boards Will Cooperate With Rhinelander In Keeping Out Liquor

(By A. R. Bucknam)  
McNaughton station in the town of Newbold, is in line for improvements. The people do not want a saloon but they do want a place where they can wait for a train. The saloon men, Mr. Shark and Mr. Chesna run their saloon the very best they can, and increase their business by being accommodating. The following statement seems to be the sentiment of many: "If Rhinelander votes dry the whole county should be dry."

If Rhinelander votes dry the town board of Newbold will be more than likely willing to extend the dry zone to the town limits, and thus cooperate with Rhinelander in cleaning up the town and at the same time save themselves a good deal of trouble with drunken autoists.

The brewer says: "Why make ourselves trouble when we can put it on to the saloon keepers by a local option contest?"

We are with the saloon men in opposition to local contest, but we have to use the brewery made laws just as they have to use their beer and their laws will be things of the past and PROHIBITION will be the policy of the nation.

One member of the town board of Pine Lake says, "I don't think any board that might be elected in our town would grant a saloon license if Rhinelander votes dry."

A farmer said, "You can depend on the farmers. They know what the saloon has done and continue to do against their interest."

Another farmer said, "If the matter is left to the farmer there will not be a saloon in Oneida county."

Well, Rhinelander will vote dry, and it is up to the farmers to extend the dry zone as far as they can.

The farmers of the town of Crescent seem to be almost unanimous in favor of a dry town, and they say, "It is up to the voter in Rhinelander to put the city dry, and we will back up their effort by keeping the saloon out of our township for our mutual good."

If you want a red, white and blue ribbon, call up 'phone No. 81.

## 2ND TO LEAVE BORDER FEB. 7

Camp Wilson, San Antonio, Tex., Jan. 29.—If present plans are carried out, the Second Wisconsin will entrain for Fort Sheridan on or about Feb. 7. The trip north and mustering out took the First Wisconsin twenty-three days.

Measles has broken out at Camp Wilson and a quarantine is feared. Soldiers of the Second regiment have been warned to keep away from the city, the source of the contagion.

Bulletins posted today appeal to the men to take every personal and camp precaution, adding that a quarantine order would defer mustering out several months.

## ELKS BOWL AT STATE TOURNEY

Kincaid Rolls Highest Single Game At The Sheboygan Meet

Ten men representing Rhinelander Lodge No. 538-B. P. O. E. went to Sheboygan last Saturday evening and participated in the Fifth Annual Elks State Bowling Tournament held there on Sunday.

As the meet will continue for two weeks longer it is not known what prizes were won by the local boys. Although no high averages were piled up it is worthy of note that Carl Kincaid has to his credit the highest single game yet rolled in the meet. He succeeded in knocking down 256 pins in ten frames and this is considered to be a score that will stand very high at the close of the tournament.

Ronald Reardon gained a total of 577 in the singles and the five man team known as Rhinelander No. One bowled 2563 in their event.

Kobernet and Sorenson were high in the doubles with 1051, and Lawrence and Juday second with 1013.

The events were all rolled at the Elks Club House on six first class alleys. Sheboygan Lodge No. 299 is composed of a lot of hospitable fellows who spare nothing in furnishing comfort and entertainment for their guests.

Initiation ceremonies in which Art Post played the leading role were conducted in a particularly thrilling manner. Those from Rhinelander attending the meet were: T. J. Lawrence, M. W. Sorenson, L. B. Woodruff, A. S. Post, Dr. Chas. McIndoe, Ronald S. Reardon, W. D. Juday, Matt Kobernet, C. Kincaid and Thomas Morse. Chas. A. Conro was present as chaplain and entertainer, and as the latter there are certain ones who swear that he rolled a perfect score.

## NAME TOWN FOR JUDGE A. H. REID

The map of Marathon county has undergone a change and out of what has been the town of Pike Lake has been created the "Town of Reid." Township 26 is still "Town of Pike Lake" while Township 27 shall be hereafter known as "Town of Reid."

The petition for a division of the town of Pike Lake was filed on January 15, and many hearings were had in the matter. The attempt to divide the town was vigorously opposed, but Thursday, January 25, the final order was signed and filed, creating the town.

The proposed name of the new town was "Sherman," but by the stipulations of the petitioners by their attorney, Patrick T. Stone, and the contestants by their attorneys, F. W. Gerich and F. P. Regner, the petition was amended after the referee's report and findings were confirmed, changing the proposed name to town of Reid in honor of Judge A. H. Reid.

The farmers in township 27 are jubilant over the decision and are highly satisfied with the name chosen for the new town.—Wausau Pilot.

## LEWIS SEEKS GO WITH STECHER

Robert Fredericks, formerly of Rhinelander, otherwise known as Strangler Lewis, noted wrestler, is seeking a match with Joe Stecher, sometimes referred to as the "Omaha Wonder." Since Frank Gotch, world's champion wrestler, retired these young giants of the mat are seeking the world's crown.

Last year the pair wrestled two hours to a draw, and both are anxious to try again for the coveted honor. Strangler Lewis is not the strangler of former days, but is a very different sort of man. He is a native of Kentucky and before becoming a professional wrestler was a student at the University of Kentucky. Before acquiring fame as a wrestler he was employed in the mill of the Rhinelander Paper Co., where he was a favorite among his fellow employees.

Lewis is six feet one inch in height, weighs 230 pounds in condition and is said to be one of the cleanest and fairest wrestlers now in training.

**WRITE-UP HOTEL ONEIDA**

Walter J. Abel, business manager of the Wisconsin Hotelman, was in this city recently securing a write-up of the Hotel Oneida and local advertising for his publication. The Wisconsin Hotelman is one of the leading periodicals devoted to hotels and the hotel business in the northwest.

## ANOTHER VICTORY FOR LOCAL HIGHS

Ironwood Carries Away Short End In Friday's Basket Ball Game

(Contributed)

The much talked of Ironwood team met the home boys on Friday and carried away the short end of a 32-10 score, somewhat to their surprise, for in size they completely eclipsed our team.

The game opened with a rush, Ironwood securing the first three points. All through the first half the score was very even, closing 13-10 in favor of the locals.

Something happened to subdue the fighting spirit of the miners during the intermission, for during the second half they scored not a point, while Rhinelander caged 9 baskets and one free throw. The game was refereed very satisfactorily by the Ironwood coach and Coach Sorenson.

Rhinelander was represented by White C. Usher and Sorenson, F. Whitaker and Cain G. During the second half Wilson and Deitrich replaced White and Whitaker.

The preliminary was an interesting struggle between the Guild Hall and the North Side boys, won handsily by the former by a 20-12 score.

An interesting basket ball schedule has been arranged for the local quintette. On Friday of this week Ladysmith plays on the home floor. This team is an unknown quantity here, but has been successful in its own section of the state. Feb. 9, Tomahawk plays here. Feb. 15 the boys go to Ironwood and on Feb. 20 meet Rhinelander in the gym.

Garls for the first semester were issued Wednesday and in most quarters gave great satisfaction. In the senior class there were practically no failures, and the juniors did almost as well.

Five new pupils were enrolled at the opening of the new semester. Venita Byrns and Cecil Little entered the senior class, Audrey Kettner the sophomore, while the ranks of the freshmen were enlarged by the entrance of Damains Byrns and Ernest Bohm.

Lloyd Taylor, '17, is quite seriously ill with pneumonia.

New subjects offered for the current semester are physiology, advanced algebra, industrial geography, civics, arithmetic reviews.

## INDIAN KILLED; OLMSTEAD HURT

Lac du Flambeau Men Struck By Northwestern Train Near Woodruff

The condition of James Olmstead of Lac du Flambeau, who was injured by a Northwestern train Saturday night while driving across the tracks near Woodruff, is reported to be improving. He is in St. Mary's hospital this city. It was at first reported that Mr. Olmstead could not recover.

An Indian, who was making the drive with Mr. Olmstead, was instantly killed when the train hit him. The horse was also killed.

The men were driving from Lac du Flambeau to Woodruff and the accident occurred a short distance from the latter village. Their sleigh was struck by an extra freight train. Mr. Olmstead was badly cut and bruised and was picked up for dead.

That he escaped with his life is deemed remarkable.

Mr. Olmstead is a former resident of Rhinelander and frequently visits this city. Mrs. W. R. Hinners, 115 W. Frederick street, is his daughter. Since moving to Lac du Flambeau a number of years ago he has been engaged in the hotel business and logging.

## TO SPORTSMEN

W. E. Barber, of the state conservation commission, will be in Rhinelander on the night of Thursday, February 8, to address a meeting of the sportsmen of Oneida county at the city hall. At this meeting a Fish and Game Protective Association will be organized. All interested are requested to attend and learn the value of such an organization.

**ANOTHER SNOW STORM**  
Another heavy snow storm swept over this vicinity Tuesday night and Wednesday gladdening the hearts of loggers but causing much discomfort and inconvenience to city dwellers. Several inches of "the beautiful" fell.

William Hambly, one of the star men at Haviland's camp near Boulder Junction, is in Rhinelander the guest of M. Dolan.

## I. W. W. WORKERS APPEAR IN CITY

Alleged Member of Band In Jail—Chief Orders Two From Town

Monday morning Chief of Police Straub arrested a stranger, who gave the name of Jack McFarlane, and, who the chief claims, is an I. W. W. delegate. A revolver and long knife were found on McFarlane's person. The man did not hesitate to declare that he belonged to the I. W. W. and seemed to take considerable pride in the fact, says the chief.

In municipal court McFarlane was arraigned on a charge of carrying concealed weapons. He pleaded guilty and was sentenced to thirty days in the county jail.

Rhinelander received a visit from two representatives of the I. W. W. Friday morning but owing to the irresistible persuasive powers of Chief of Police Straub, their sojourn was of brief duration. The two men, whom the chief claims were without a doubt I. W. W.s, were discovered by the chief in the rear of a saloon where they were endeavoring to impress a handful of lumberjacks with their inflammatory remarks.

Going up to the agitators, the officer asked their business, but they gave him no satisfactory answer aside from the statement that they were out trying to do what they could to aid poor laboring men.

When asked if they belonged to the I. W. W. the pair stoutly denied any affiliation with that organization. Some rank I. W. W. literature, which they had in their possession convinced the chief that they were not telling him the truth and he informed them that if they were not out of town in less than one hour he would arrest them for vagrancy. The chief escorted the men to the Northwestern depot where they boarded the south bound Northwestern train at 10:26, remarking that they were going to Antigo.

It was learned later that they had intimated their intention of going to White Lake, the new lumber town in Langlade county.

Chief Straub ascertained Tuesday that the men came here from Park Falls, where it is said there is a large colony of I. W. W.s. In fact four hundred of the agitators are reported to be in that city and near vicinity. One of their leaders was recently sentenced to six months in jail for attempting to incite a riot.

Chief Straub says that over two weeks ago he ordered out of this city a foreigner who he believes was an I. W. W. However, lumbermen operating in this part of the state have experienced no trouble from the lawless organization or any of its sympathizers.

**BOXING FEB. 9**

The boxing tournament, which was to have been put on at the Rhinelander Athletic Association has been postponed from Friday evening of this week to next Friday evening, Feb. 9. The local athletes are training hard and this contest will decide on the men who will meet in the inter-city contests which will follow. Our boys are being ably instructed by Rev. Wedge and Mr. Dougherty and ought to win the state Amateur Championship this winter against the best boxing teams of Wisconsin and then take on the Cleveland Athletic Association boxing team which has as one of its members the Amateur Boxing Champion of America. Many of our prominent business and professional men are much interested in the Rhinelander boxing club and enthusiastically predict that our club will hold its own against the best amateur boxers in the country.

**WILL GROUNDHOG SEE HIS SHADOW?**

Friday is Candlemas or Groundhog Day. The old tradition that the weather conditions on Feb. 2 indicate the character of the remainder of the winter extend over most of Europe and is also well known in this country.

In America the tradition is that the groundhog comes out of his hole on Feb. 2 to make his annual weather observations. If the weather is clear so that he can see his shadow there will be six weeks more of winter. If he sees no shadow he remains out of his hole permanently, the winter being nearly spent.

Matt Kristensen, proprietor of Kristensen's Garage at 131 S. Stevens street and agent for the Reo car, is in Chicago this week attending the big automobile show.

**Friendship and Finance**

The prosperity of our depositors is of great importance to us.

We want you to deposit **FRIENDSHIP** as well as **MONEY** when you start an account with us.

Your interests will be protected and you will be assured of **OUR** friendship in return for your confidence.

**Merchants State Bank**  
RHINELANDER, WIS.

## EXTREME COLD HARD ON PIPES

Not in several years have residents of Rhinelander experienced the trouble of frozen water service pipes that many are now having. The extremely light fall of snow this winter and the prolonged cold spell in December and January has caused the frost to penetrate to a great depth with the result that in many cases water in service mains has been frozen, and in some cases outside sewer traps in shallow places have suffered a like fate. But a glance over the exchanges received at this office reveals the fact that Rhinelander is not alone in this trouble. At Ashland, Ironwood, Wakefield and Bessemer the number of families that are suffering from a temporary water famine, so far as their own premises are concerned, run well up to the hundred mark in each city, while from Virginia, Minn., comes the report that the city mains as well as service taps are frozen, in some places cutting off consumers in an entire block.

The recent fall of snow will have a tendency it is hoped to relieve the situation here somewhat.

## KIND WORDS FOR HANSON

The Prentice News-Calumet contains the following in its last issue:

"They tell us that G. J. Hanson of Rhinelander, general agent for the Old Line Life Insurance Co. of America, finished among the three leaders in a field of over 400 agents at end of 1916's race for business. Hanson has been slipping into our town off and on for quite a while and he's picked up a list of friends in these parts which is growing like a city directory. And it won't disappoint them the least bit to learn that this big, good natured fellow has been crowned with the laurels of success."

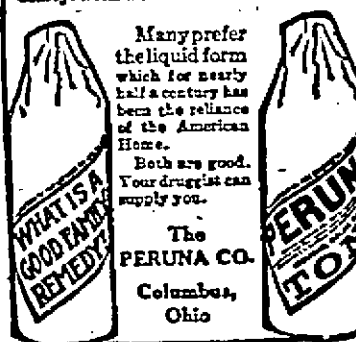

## Quick Cold Relief

Is usually found through the prompt administration of a mildly laxative, dispersive tonic—one that will scatter the inflammation, remove the waste, and help Nature to build up resistance.

## Peruna is That Tonic.

Its action is prompt, usually very effective, and its use is without harmful effects. Every household should keep it at hand for this purpose, and every catarrhal sufferer should regularly use this reliable remedy.

The tablet form will be found very convenient. A tablet or two at the very beginning of a cold will frequently prevent its development, and these tablets may be taken regularly with beneficial results.

## CIVIL SERVICE POSITIONS OPEN

Notice has been given out that a Civil Service Examination for positions in the state will be held here on Saturday, Feb. 10. The positions open are Dormitory Matron and Head Gardener.

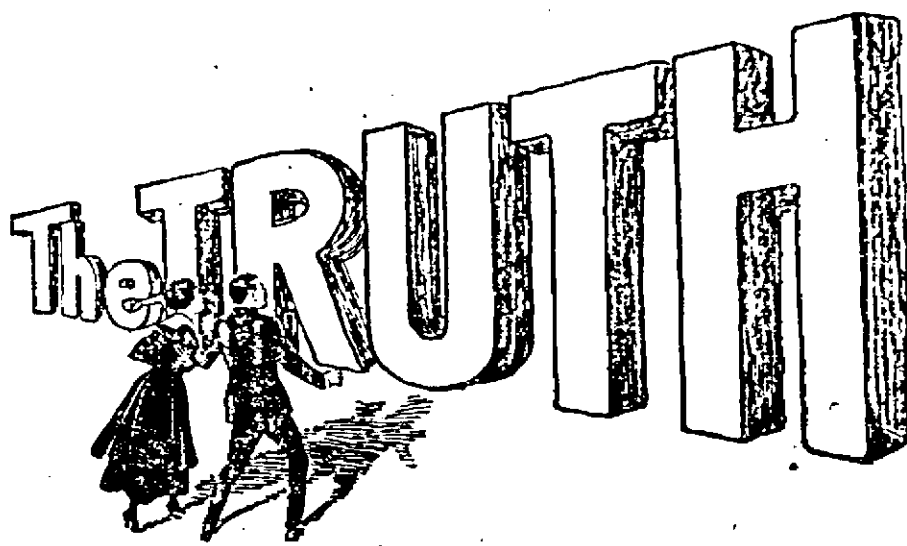

Applicants for the examination of dormitory matron should be between the ages of 25 and 30 years. They should be strong and robust. They should have the equivalent of a high school education. Some knowledge of institutional management and the ability to buy food in large quantities economically will be considered of special importance. The entrance salary for dormitory matron will be from \$600 to \$800 a year with complete maintenance. There is one vacancy now at the Stevens Point Normal school which will pay \$800 as an entrance salary.

For head gardener the qualifications are that the applicant must be at least 21 years of age. Training such as is given in county agricultural schools or in lieu thereof, at least three years good experience, are prerequisites in consideration for this position. The salary is from \$50 to \$75 per month and maintenance. There is one opening at the present time at the Boys Industrial School at Waushara, which offers an entrance salary of \$35 and complete maintenance, and a definite line of promotion.

**ONEIDA ORCHESTRA ORGANIZE**

The following members have organized what will hereafter be known as the "Oneida Orchestra." E. K. Rick, Director, Violinist; Ben Torgeson, Cornet; Carl Beusch, Clarinet; Ed. Schlichting, Trombone; Hartwig Jentoft, Bass Viol; Sigurd Jentoft, Cello; Edmond Danner, Trap Drummer; L. H. Danner, Piano; and manager. You will not go amiss by engaging the Oneidas.

**VIOLIN SCHOOL**  
E. A. Cardin  
Pupil of Dana's Musical Institute  
Temporary Studio at Miss Snyder's Residence, 226 South Stevens St.

Coffee does disagree with many. And in these days of accurate scientific knowledge there's no virtue in appearing astonished when this truth is faced.

Caffeine (the drug in coffee, and in tea also) leaves the system in an over-worked and debilitated state, and is responsible for various serious ills and discomforts.

Thousands who desire an appetizing hot table beverage with none of coffee's drawbacks, find a most delightful cup—one containing no deleterious substance whatever—in

# PSSTUM

...the pure cereal food drink.

Nourishing, economical and wonderfully delicious.

## THE NEW NORTH

The New North Printing Co.  
Entered at the Postoffice at Rhinelander, Wis., as Second Class  
Mail Matter

FEBRUARY 1, 1917

"For the cause that lacks assistance;  
For the wrong that needs resistance;  
For the future in the distance  
And the good that we can do."

We sometimes believe in signs,  
but just because that little German  
band is with us again we're not  
going to fool ourselves into believing  
that spring is here.

H. C. Braeger, who has for many  
years past occupied a responsible  
position with the Rhinelander Paper  
company, has resigned to en-  
gage in other undertakings. Mr.  
Braeger is a man of unquestioned  
business ability and foresight and  
his success in the future is not only  
prophesied but assured.

Travellers whose future routes  
lie through Rhinelander, can, if  
they wish, obtain food or shelter  
there in a hotel which, it is proudly  
claimed, cannot be surpassed by  
any other in the state, if Milwaukee  
is excepted. This house for  
the tired and hungry wayfarer has  
been christened The Oneida and an  
admirable coterie of Rhinelander no-  
tables used up an evening last week  
in officially and brilliantly dedicat-  
ing the structure and bespeaking for  
it a long, eventful, useful career.  
Between The Oneida's lowest founda-  
tion stone and her topmost roof-  
peak \$100,000 worth of material and  
labor were expended before these  
dedication exercises came to pass.  
—Pretence News-Calamet.

## LOUIE IS BACK

Louie Chase, the dusky shoe shin-  
er, who formerly held forth at  
Hartley's barber shop, is back in  
Rhinelander, but he did not come  
of his own free will. He was arrested  
in Milwaukee and brought back  
by Under-sheriff Crofoot to answer  
to a charge made against him by  
H. R. Goldstone. Mr. Goldstone ac-  
cuses Louie of getting away with  
merchandise from his store to the  
extent of \$10.

Louie is confined in the county  
jail. It is understood that he has  
consented to pay Mr. Goldstone for  
his loss, in which case further  
prosecution may be dropped.

Mrs. J. A. McDonald of Grand  
View, Wis., is the guest of her moth-  
er, Mrs. Amelia Dufraine.

TIONS NOW

## UNITED STATES MAY BREAK WITH GERMANY

**Renewal Of Submarine Attacks  
Causes Most Critical Situation Of War**

Washington, Feb. 1.—Ruthless  
submarine warfare inaugurated by  
Germany brings the United States  
face to face with what President  
Wilson has solemnly declared to  
be the only alternative to recogni-  
tion of American rights on the high  
seas—a break in diplomatic rela-  
tions, with its accompanying grim  
possibilities.

There is every indication that  
whatever the American govern-  
ment does, will be done quickly.  
Apparently it is agreed that there

are only three courses open. Hand-  
ling Count von Bernstorff his pas-  
ports without further ado; sending  
at once a warning to Germany that  
she will violate American rights at  
her peril, or awaiting the develop-  
ment of the new starvation cam-  
paign against England announced  
to begin today.

Reopen New York Port  
New York, Feb. 1.—After being  
sealed all night by destroyers and  
coast guard patrol boats, the Port  
of New York was opened today by  
the custom authorities to all incom-  
ing and outgoing shipping. The  
stand taken by the collector of the  
port was that ships could sail at  
their own risk. They were per-  
mitted to clear as usual.

Washington, Jan. 31.—The United  
States was brought tonight nearer  
to a diplomatic break with Germa-  
ny by the delivery of a note to Sec-  
retary of State Lansing announcing  
the intention of Germany to "do  
away with all restrictions" in the  
use of submarines on the high seas.  
On the heels of President Wilson's  
efforts to bring about peace in Eu-  
rope and the support heretofore  
given those efforts by Germany, the  
note stunned official Washington. In  
the face of the declaration of the  
United States nearly a year ago  
that a relentless submarine warfare  
would force this country to "sever  
all diplomatic relations" with Ger-  
many, the note was accepted as  
making a break imminent.

But it was pointed out that a  
break in diplomatic relations would  
not necessarily be followed by war  
between the two countries.

## POOL PLAYERS DISPLAY CLASS

The pool tournament conducted  
by Al Taylor, and which just closed,  
was so successful that Mr. Taylor  
has promised the fans another  
such event in the near future.

Mr. Taylor is more than pleased  
with the support given the tourney.  
The entries reached a larger num-  
ber than he had expected and the  
interest shown in all the contests  
ran high.

The players used the bridge with  
as much ease and grace as an ele-  
phant on roller skates. Little Jim-  
my started out like a race horse,  
but came in like a snail.

A Pecor Leaf Jockey 50 to 4. Jockey  
wins the candy. It was wonderful  
to observe the buck fever displayed  
by all the players.

Willotte is high man at present  
with Schiller close to his belt.

M. H. Taggart and Guy Taggart  
of Kelley Lake, Minn., are in the  
city.

Employees of the Rhinelander  
Light & Power company were  
guests of E. A. Forbes, president of  
the company, at a banquet at Hotel  
Oneida Wednesday night.

Val Roberts, brother of Mrs. W.  
N. Mackin of this city, died Satur-  
day in St. Joseph's hospital, Ash-  
land, after an illness with pneu-  
monia. Mr. Mackin accompanied the  
body from Ashland to Menominee  
for interment. Mrs. Mackin and her  
mother left for Menominee, Mon-  
day to attend the funeral which  
was held Tuesday afternoon.

Priceless Sense of Humor.  
The sense of humor "suffereth long  
and is kind; is not puffed up; is not  
easily provoked." Within its easy  
reach is the "soft answer that turneth  
away wrath." It is the first cousin of  
love. This earth would ride on spring-  
less axles without it.

## MISS ANNA LLOYD GOES TO REWARD

(By a Friend)  
Miss Anna Lloyd died at St.  
Mary's hospital on Friday, January  
twenty-sixth.

Miss Lloyd was born in Detroit,  
Michigan, and was a graduate of St.  
Mary's College, Notre Dame, Indi-  
ana. She spent her life as a teacher  
and Rhinelander was very fortune-  
ate in being able to number her  
among its teachers. She taught first  
grade at the South Park school and  
later eighth grade at the Central  
school. Miss Lloyd was a genuine  
teacher, one who loved the work for  
the benefit and influence that she could  
have upon her pupils. Thorough in  
her work, conscientious and capa-  
ble, a child could not be under her,  
without being benefited by her.

She was a woman of high intel-  
lectual attainments, with refined  
tastes and most kind and generous  
of heart, always thinking of the  
interests and welfare of others, even  
to the hour of her death.

She was buried Monday morning  
from the the Catholic church of  
which she has always been a devoted  
member, and laid to rest beside  
her father, M. W. Lloyd, in the For-  
est Home cemetery.

She leaves three sisters, Miss  
Frances Lloyd of this city, Mrs. W.  
H. Wilde of Milwaukee, and Mrs.  
M. P. Bellew of Oconto, Wis.

Miss Lloyd has been ill for some  
months and knew that she would  
not recover, but though a great  
sufferer, her patience and cheerful-  
ness have been remarkable.

### Island Ruined by Goats.

St. Helena, famous as the island  
prison of Napoleon, was at one time  
covered with thick forest. Cattle did  
not do there, and goats were imported  
to give meat and milk for the settlers.  
They soon ran wild, and betook them-  
selves to the hills, where they multi-  
plied by thousands, and browsed on  
the young trees and shrubs. Today  
the island is little better than a desert.

### "Kronstadt"

An interesting legend is told con-  
cerning the origin of the name of the  
city of Kronstadt. The old town hall  
is supposed to stand on the spot where  
a golden crown was found in the stump  
of a tree in 1204. The royal emblem  
was believed to have remained hidden  
here for more than 100 years. It was  
identified as having belonged to King  
Solomon of Hungary, who concealed it  
lest it fall into the hands of the pursu-  
ing Bulgarians. Hence the name, Kron  
Stadt.

## HART'S

## ALL ARE WAITING FOR THEOBALDI

Music lovers happy over coming  
of Theobaldi.

Much interest is being shown and  
many tickets secured early for the  
Theobaldi concert, which is to be  
given in the high school February  
12. A very fine soprano singer  
and pianist are part of the compa-  
ny.

A few press comments will give  
an idea of this world famous violinist:

"He made a great sensation with  
his original selections."—Berliner  
Tidene (Copenhagen, Denmark.)

"It is the first time since the  
death of Ole Bull that Copenhagen  
has heard an artist of this class. Every  
note was as distinct as a beautiful  
pearl."—Politiken (Copenhagen,  
Denmark.)

"His playing was crystalline  
winged in execution."—Daily Eagle  
(Brooklyn, N. Y.)

"It appeared to the musicians  
there as a reminiscence of the days  
of Remenyi and Ole Bull."—Re-  
cord-Herald, (Chicago)

"Far and away from the ordin-  
ary conventional recital."—Daily  
News, (Chicago)

"His hearers were charmed."—  
National Zeitung, (Berlin, Germany.)

"A perfect master of his instru-  
ment."—Pioneer Press, (St. Paul,  
Minn.)

## CANTON NO. 8 VISITS ASHLAND

Ashland Canton No. 6 patriarchs  
militant of Ashland mustered in  
fifteen recruits Tuesday night, which  
brings the membership of this de-  
gree of Oddfellowship up to a full  
fledged company. The members will  
from now on drill one night a week  
with the expectation of walking  
away with some prizes at the state  
meeting of the Canton to be held  
at Milwaukee next summer.

Rhinelander Canton No. 8 was  
present at Ashland last night in a  
body and certainly showed the Ash-  
land recruits what could be done  
by attention to drills. Rhinelander  
is a much smaller city than Ash-  
land but the Canton ranks second  
to none in state and at last year's  
state meeting did all the floor work.  
Those who made up the Rhinelander  
delegation were Colonel H. C.  
Zander, Captain A. Schauder, Cap-  
tain August Carlson, Lieutenant L.  
Wagner, Clerk Joseph Goldberg,  
Chevaliers Charles Neue, Paul Bel-  
key and Alfred Peterson.

After the recruits had been must-  
ered in, the Rhinelander team took  
the floor and went through all the  
maneuvers to show how the thing  
is done. They are nearly perfect  
and the older members of Ashland  
Canton were delighted with the  
work presented.

Immediately following the must-  
ering in, the guests and members  
of Canton repaired to the dining  
room where an elegant banquet  
was awaiting, being supervised by  
Chef Al Bono. Needless to say full  
justice was done to the feed and  
Mr. Bono received the plaudits of  
the guests.

After the supper speeches were  
made by Dr. Herlman, W. C. Know-  
les and by the visitors from Rhine-  
lander.—Ashland Press.

### CASSIAN

Mrs. Evans was on the sick list  
this week.

Miss Minocqua Clawson was ill  
last week. Consequently school  
was not in session for four and  
one half days.

Mrs. Smith and Sybil visited at  
Olaf Olson's and M. C. Peterson's  
the first of the week.

A. K. Treasness purchased a team  
in Tomahawk last week, and John  
Paulson, a horse which they will  
use on their farms the coming sea-  
son.

Andrew Olson is visiting his sis-  
ter Mrs. J. P. Paulson this week, al-  
so his mother Mrs. Ole Oleson who  
is at the Paulson home.

Miss Mabel Wogland returned  
from Goodman last Wednesday and  
departed Saturday evening for  
Gary, Ind.

Aug. Ossman returned from Joil-  
et, Ill. Sunday, where he had taken  
a car of potatoes.

H. J. Barriek of Goodman is haul-  
ing hay which he purchased of Ira  
Smith.

Louie Bergstrom was over from  
Malvern last week and was a guest  
at A. B. White while here.

Willie Musson visited at Rhine-  
lander and Malvern the week end.

Mr. and Mrs. Geo. Eaton, Mr. and  
Mrs. Albert Ossman, Mrs. Nettie  
Marsh and children, Mrs. I. Smith  
and Grace Eaton visited at J. P.  
Paulson's Tuesday.

The Misses Clawson and Duffy  
Sunday in Rhinelander.

A. B. and A. V. White hauled logs  
to Clement's mill Monday.

Ira Smith sold a car load of seed  
stock potatoes which will be load-  
ed out at McKay's spur this week.

## GOODMAN WOMAN TAKES OWN LIFE

The people of Goodman received  
a shock Thursday evening when  
Mrs. Kuschok committed suicide by  
hanging. Mrs. Kuschok has been  
suffering from tuberculosis for the  
past four years and it is believed  
that this caused her to commit the  
deed.

Mr. and Mrs. Harry McDermott  
left Wednesday for a visit in Green  
Bay.

Miss Audrey Kettner left Monday  
for Rhinelander where she will at-  
tend school.

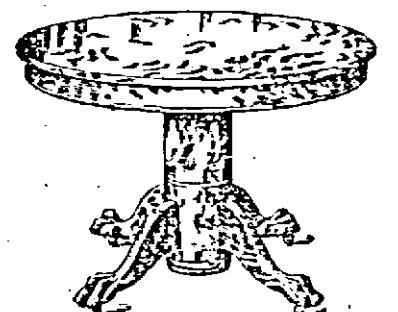

Mr. and Mrs. McDermott were  
called to their home here Saturday  
by the death of their son, Daniel.  
Daniel was sick but a few days with  
pneumonia. He will be buried in  
the Goodman cemetery Monday  
morning.

Where Blacking Gets Odor.  
Shoeblacking, says the Scientific  
American, owes its peculiar aromatic  
odor, faintly suggestive of the deep  
woods, where spruce and hemlock  
needles pad the ground, to an oil which  
is manufactured from this same kind  
of needles. The greater part of this  
oil is distilled in New England dur-  
ing the winter.

WE ARE fully equipped with the newest and most  
scientific instruments and trial lenses known to  
Optical Science. We are prepared to give your eyes a  
thorough test and render a satisfactory diagnosis of your  
trouble without subjecting you to the slightest annoy-  
ance or injury in doing so. We are qualified by exper-  
ience and both the scientific and practical knowledge of  
Optometry to render you the very best service possible,  
while our charges will be found reasonable in every in-  
stance.

### THE CITY IN BRIEF

Frank Lambert was in Chicago last week.

J. R. Bently spent Sunday with his family.

Geo. Getchel is on the sick list this week.

A. B. Carter is quite ill at his home on Wabash street.

Mrs. H. D. Johnston of Gagen did shopping in this city Wednesday.

Miss Mildred Swedberg has taken a position at the Hanchett store.

Mrs. Frank Thorpe of Crandon was a city visitor the first of the week.

Mrs. Swan Carlson of Phillips is visiting north side friends this week.

Fred Robinson of Appleton spent Sunday with his parents on Mason street.

James Doyle of Pine Lake spent several days of last week with Mrs. Evenson.

The fire department responded to a chimney fire at Geo. Clark's residence Tuesday.

Miss Alinxia Turgeon went to Tomahawk Friday for an extended stay with relatives.

WANTED—A good camp cook. Inquire Brown Land & Lumber Company, City.

Mrs. R. J. McIntosh is confined to her home this week with a severe attack of la grippe.

FOR SALE CHEAP—Two automobiles in first class shape. Inquire of Chas. Conro or F. C. Tank. F1

Mrs. H. Duff entertained a number of ladies Tuesday evening in honor of Mrs. Conway of Orient, S. D.

Mrs. Dr. Thysell of Milwaukee is the guest of her mother, Mrs. Graham, and sister, Mrs. William Schuman.

Arthur Taylor and F. T. Coon returned Saturday after attending the Fair convention held at Madison.

Mrs. D. H. Walker returned from Chicago Tuesday morning where she attended the wedding of her father, O. A. Hilgerman.

The Married Folks Club will hold another of their pleasant dancing parties at Gilligan's hall Wednesday evening.

D. H. Hart goes to Chicago Saturday to accompany home his wife and daughter who have been there for the last two weeks.

There is a slight improvement in the condition of Mrs. Frank Gormley, who has been seriously ill for the past five weeks.

Mrs. R. J. McIntosh entertained a company of ladies at supper Thursday evening in honor of Miss Margaret Doyle's birthday.

Born, to Mr. and Mrs. L. D. Hayford of Robbins, on Jan. 30, a nine pound boy. He has a good voice but not a tooth in his head.

Rhineland Grange will hold regular meeting Friday, February 2nd. W. D. Juday will give an industry talk on an agricultural subject and there will be some musical selections.

With a purchase of \$1.00 or more in merchandise on Saturday, Feb. 3, you can buy five yards of embroidery louncing as wide as 18 inch for only 50c at Whittier's Store, "The barefoot boy."

Mrs. Kate Didier and daughter, Estelle returned Sunday morning from Rochester, Minn., where Mrs. Didier has been under the care of the Drs. Mayo for the past four months.

The Thursday afternoon Bridge Club meets today with Mrs. F. A. Lowell.

Miss Lucille Rogers of Nashville was a week end visitor at Fred T. Coon's residence.

Mrs. Fred Coon has returned to Rhineland after a visit of three weeks in Milwaukee.

FOR RENT—Seven store counters, length 7 feet to 16 feet. Brown Brothers Lumber Co.

The Married Folks Club danced to Hazel M. Crawford orchestra at Gilligan's hall Wednesday evening.

Mrs. Annen and Mrs. Schiek have issued invitations for a luncheon Thursday, February 15, at one o'clock.

Mrs. C. P. Crosby went to Antigo Wednesday to address a meeting held in the interests of putting Antigo dry.

WANT—To hire teams to start work at once. Telephone or write Stolle Lbr. & Veneer Co. at Tripoli, Wis. F1-15

Frank Jolin has returned from Minneapolis where he has resided for the past few months. He will remain here.

F. A. Lowell, county school superintendent, and W. N. Mackin, principal of the training school, are attending the superintendents' convention in Madison this week.

Many ladies braved the storm Wednesday to attend the Gossard corset demonstration at the Kolden store. A special representative of the company was here and a number of corsets were sold through her efforts. The demonstration was very successful, according to Mr. Kolden.

Ash Wednesday this year, which is the beginning of Lent, falls on February 21. Easter, the closing day of the abstinence period, falls on April 8. The winter social season will therefore be considerably curtailed, the Lenten season, coming as it does, two weeks earlier than in 1916.

Beginning Saturday the Herbst Shoe Store will inaugurate a gigantic clearing sale of shoes. At this sale, according to K. B. Maxwell, manager of the store, shoes for every member of the family will be offered for sale at less than present manufacturer's cost. The sale will continue until Saturday Feb. 10.

F. E. Parker, county highway commissioner, and L. B. Woodruff, secretary of the Rhineland Advancement association, are in Madison in attendance at the state road school and highwaymen's convention. Mr. Parker is on the program for an address.

The T. C. Wood Hardware company, agents for the Maxwell car, received a consignment of new 1917 Maxwells for distribution in this city Saturday. One of the cars has been placed on exhibition in the hardware store where it is being much admired. The 1917 Maxwell is a vast improvement over last year's model, embracing many features which are entirely new. Mr. Wood has a large list of prospective buyers.

TO WARMER CLIMATE

A large delegation of Rhinelanders will spend the remainder of the winter in the warmer climate of the south or in California. Last Wednesday night the Misses Brown left for Chicago where they were joined by Mr. and Mrs. D. F. Becker, daughter Lois and Madam Becker, who left here Friday night. The party went to Los Angeles, Cal.

Thursday night Mr. and Mrs. Paul Browne left for Biloxi, Miss., to remain with Mr. Browne's father and mother. Tonight Mr. and Mrs. A. W. Brown, Miss Edith Brown, Mrs. Raymond, Mrs. Luther Brown, Mrs. S. H. Alban and Miss Helen Alban leave for Los Angeles, Cal.

### NORTH SIDE

Mrs. A. Kriesel Sr. entertained the Wednesday club at her home on Thayer street. Miss Maidie Rothwell received first prize, Mrs. A. Rheume second prize and Mrs. Pecor third.

John Minnick of the west arrived in the city Thursday and is the guest of his mother and sister on Pearl street.

Mr. and Mrs. A. Kriesel Jr., are the happy parents of a baby boy born Jan. 24, at their home on Mason street.

Mrs. A. Rheume entertained the Thursday club at her home. Mrs. J. Hack received first, Mrs. W. Pecor second and Mrs. Art Bouffieu third prize.

The Rebeccas entertained at a card social at the I. O. O. F. hall on Stevens street. Mrs. F. Richards and J. Hull received first prizes and Mrs. F. Bohm and Ernest Willette received second prizes. Refreshments were served and all report a good time.

Born to Mr. and Mrs. Joe Boudin of North Brown street, a son.

Miss Mary Houg, who teaches at Jennings, spent Sunday at her home here.

Miss Mary Charrey spent Saturday and Sunday at her home on Mason street.

Born, to Mr. and Mrs. I. Bonneau Friday last, a son, at their home on Messer street.

Fred Robinson, who has been working in Appleton for the past six months, has returned to his home here.

Mrs. George Vancourt entertained a number of friends at coffee at her home on Thayer street last Friday.

A number of friends of Miss Ollie Irick tendered her a shower at the home of her sister, Mrs. Matt Wiedman on Lake street. She received many beautiful and useful gifts. Cards were played and Mrs. O. Shorry received first prize, Mrs. J. Swartz second, and Mrs. C. Blackmer received third.

The N. F. L. will hold a business meeting at their I. O. O. F. hall on Stevens street Saturday, February 3 for members only.

Miss Mabel White spent Sunday at her home on Alban street, returning to her school at Lenox, Monday.

Dance with the Royal Neighbors at their 17th annual masked ball at the Armory, Feb. 19, 1917.

A number of young folks surprised Miss Ollie Irick with a shower at the home of Mrs. E. Graham Tuesday evening. Music was the chief enjoyment of the evening. Miss Irick received many beautiful and useful gifts.

Wm. Witt has purchased the Shepard home on Thayer street formerly owned by E. Shepard, but owned for the past two years by Mr. Nyholm.

Walter Irick of Minneapolis, is the guest of his mother, Mrs. Wm. Foster on Lake street.

## Christmas Banking Club

The Reasons for The Christmas Banking Club

To provide a way for those of moderate and even small means to save money. To teach thrift of old and young by a systematic method of saving a specified sum each week. The Christmas Banking Club makes it easy for all to save.

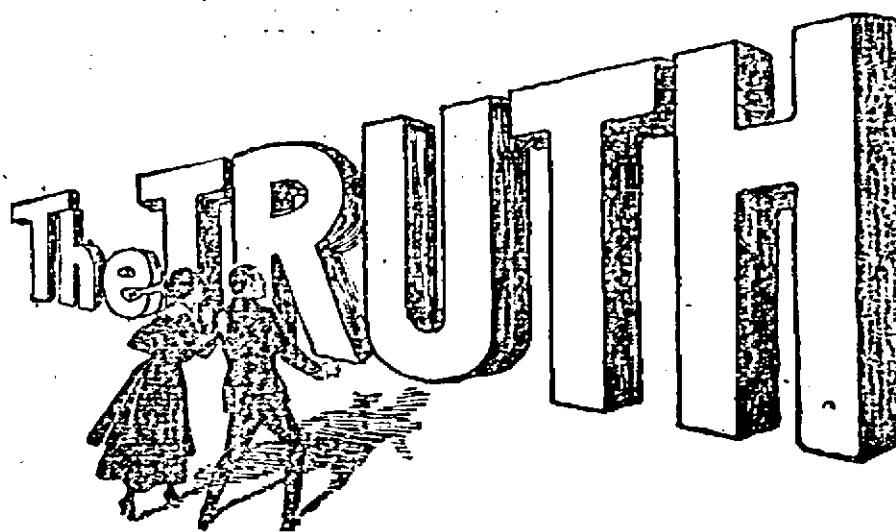

Saving money is the one sure way to have money. Most large fortunes began with small savings.

Many small deposits make a large sum; as the amount increases, and it is the interest, called "the saving habit" that leads to wealth.

To give all "a bank connection" so that they will learn the many ways in which our bank can be of service to them.

## MERCHANTS STATE BANK

Rhineland, Wisconsin

Coffee does disagree with many. And in these days of accurate scientific knowledge there's no virtue in appearing astonished when this truth is faced.

Caffeine (the drug in coffee, and in tea also) leaves the system in an over-worked and debilitated state, and is responsible for various serious ills and discomforts.

Thousands who desire an appetizing hot table beverage with none of coffee's drawbacks, find a most delightful cup—one containing no deleterious substance whatever—in

## POSTUM

...the pure cereal food drink.

Nourishing, economical and wonderfully delicious.

## THREE LAKES DEPARTMENT

F. S. Campbell Sundayed with  
his family.

Mrs. Frank Boutkowski is ill  
with the grip.

Dr. Thorpe of Eagle River was  
in town on Friday.

The Zimmer family will shortly  
depart for LaCrosse, Wis.

Ed. Stanzel and Dett Brewster  
are busy putting up ice.

Roy Barber has accepted a position  
at the Kennedy camp.

Mrs. Bob. Gallence has gone to  
Chicago to visit a sister.

Wm. Bonack, transacted business  
at Clintonville during the past week.

C. G. Kuney departed for Witten-  
berg on Saturday to Sunday with  
his wife.

Carl Korzilius who was under the  
weather for several days, is around  
again.

Fred Munsch transacted business  
at Wausau the first part of  
the week.

Miss Margaret Anderson visited  
her sister Ethel at Pelican Lake  
on Saturday.

Ed. Szumski came up from  
Gagen on Saturday to Sunday  
with his parents.

Miss Samony Zawacki, who has  
been quite ill for the past ten days  
is seen on the streets again.

Miss Ethel Anderson came up  
from Pelican Lake to take in the  
young folks' hop Friday evening.

Miss Mary Plotka of Jennings  
came here to be present at the mar-  
riage of her friend Miss Victoria  
Zawacki.

Miss Ella Pankanein of Edgar,  
Wis., has accepted a position at  
the New home. She arrived here  
Thursday.

Adolph Kloe reports that Mr.  
and Mrs. Samuel Shaw of Grandon  
are both lying critically ill with  
pneumonia.

The Beavers Lodge of Three  
Lakes installed its new 1917 officers  
Thursday evening. Refreshments  
were served.

Miss Sophia Zawacki who is em-  
ployed at the Beach Hotel, Pelic-  
an, came home to attend her sis-  
ter's wedding.

It has been announced that there  
will be another wedding immedi-  
ately after the lenten season. Now  
make your guess.

Fred Piehl and Ed. Smith drove  
up from Gagen last Sunday with  
Fred's trolleys. They also made  
Eagle River the same day.

The Brucker estate has been set-  
tled. Mr. Wm. Brucker of Three  
Lakes receiving for his share in  
full settlement the sum of \$12,000.

Mrs. Dell Brewster who has suf-  
fered much, caused by the condi-  
tion of her teeth, was taken to  
Eagle River on Saturday when Den-  
ist Frankel removed ten of her  
teeth.

Two sleigh loads of Eagle River  
ladies enjoyed a sleighride to Three  
Lakes on Sunday. With the excep-  
tion of a short space at Clear-  
water Lake, the roads for sleighing  
are in excellent condition.

The young folks succeeded in in-  
ducing Miss Emma Korzilius and  
John Gorski in furnishing the mu-  
sic for a hop at the Woodman hall  
last Friday evening. A fine crowd  
gathered and all report as having  
spent a fine evening.

Miss Mollie Saylor who has been  
at Three Lakes the past year, de-  
parted for Eagle River on Monday.

At a very early date she will leave  
for the Mayo hospital at Roches-  
ter, Minn., when she will undergo  
a surgical operation. Good wishes  
for a speedy recovery go with her.

Rev. Kalandyk of Rhineland  
conducted regular semi-monthly  
services at the Catholic church last  
Sunday morning. He dispensed  
with the afternoon services on ac-  
count of an urgent sick call which  
came from Robbins. He returned  
on Monday morning to perform a  
marriage ceremony.

Peter Smith, who is employed  
as chief cook at the H-l-m & Bon-  
ack logging camp at Round Lake  
had a narrow escape from drown-  
ing the other day. He crossed the  
Long Lake thoroughfare in a pair  
of snow shoes when suddenly the  
ice gave way and Peter indulged in  
a cold bath—after breaking ice for  
some distance he finally succeeded  
in a firm hold on a solid bunch of  
ice and managed to get himself out.  
Pete thought his time had come.

On Monday morning the wedding  
bells rang at the Catholic church

for one of our Three Lakes young  
ladies, Miss Victoria Zawacki, who  
was joined in the bonds of holy ma-  
trimony with a young gentleman of  
Rhineland, Mr. Ed. Graf. The  
church was well filled with rela-  
tives and friends of the young  
couple. After the ceremony the  
many friends escorted the happy  
couple to the station where the  
young couple boarded the morning  
south-bound train for a southern  
honeymoon trip. They expect to  
return to Rhineland shortly  
where they will make their future  
home. Their many friends here  
wish the young starters a smooth  
and unobstructed pathway through  
life.

Frank Campbell, who has charge  
of our local bank at present met  
with a peculiar and painful acci-  
dent Saturday night. While fixing  
the furnace fire for the night, he  
was in the act of putting a heavy  
piece of wood into the furnace—  
when the glare of the flames blind-  
ed him; and having a hold on each  
end of the wood he aimed to toss  
it into the furnace—he missed his  
aim and one of his fingers on his  
left hand struck the furnace instead  
of the opening with the result that  
part of his finger was completely  
severed. He did not realize the ex-  
tent of the injury until he reached  
the hotel and took off his leather  
glove; he was surprised to find  
that he had lost part of a finger  
and was compelled to turn the  
glove inside out to recover the miss-  
ing member.

County Road Commissioner F. E.  
Parker, of Rhineland came to  
Three Lakes last Wednesday and  
explained to a bunch of our citi-  
zens and taxpayers the true situa-  
tion about the \$130,000 bond issue  
that is before the people of Oneida  
county for action. He explained  
when the various sums would be  
expended providing the proposition  
is carried and our town is promis-  
ed its full and just share; The city  
of Rhineland is willing to do-  
nate its share—being 52 % of the  
entire amount, to the various towns  
and if the entire sum is properly  
expended, Oneida county need not  
step back for any county in the  
state as to roads. At a first glance  
the sum asked for looks big to the  
average tax payer, and he is about  
ready to throw up both hands, but  
Mr. Taxpayer if you put on your  
thinking cap and use your pencil  
you will readily be convinced that  
the investment is a good one. Over  
half of the amount is guaranteed by  
the city of Rhineland, the balance  
is divided among the towns of the  
county in accordance with the  
equalization percentage of the  
county, which is something like  
seven percent for the town of  
Three Lakes and the total amount  
that would be charged against us  
would be payable and divided into  
twenty annual payments. Each pay-  
ment would amount to something  
like \$500. If the proposition would  
carry there would be available im-  
mediately \$10,000 to \$12,000 for the  
town of Three Lakes, this amount  
added to the balance of our local  
bonds besides \$3000 due us from  
the county, would give us a fund  
that would be sufficient to put all  
of our roads in first class condi-  
tion, and we could commence cut-  
ting down on our road funds and  
virtually save enough to pay this  
new bond issue without any hard  
ships whatever. It looks like a first  
class business proposition to us  
and every tax payer should stop  
and figure it out and fully satisfy  
himself before taking the hammer  
route.

Secretary McKinnon, of the Meri-  
dian Highway Association was a  
Three Lakes visitor last Thursday.  
In the evening he appeared before  
a bunch of citizens at the Woodman  
hall and laid bare the complete  
scheme of the new "Meridian High-  
way Plan." It is a big proposition  
and when complete it means much  
for the towns which are lucky  
enough to be marked on the route.  
Mr. McKinnon is highly pleased  
with Three Lakes and the good  
start we have made on our roads  
and he takes pleasure in recom-  
mending that the route go via  
Rhineland, Robbins, Three Lakes,  
Eagle River, and Watersmeet. We  
are indebted to him for a grand  
write-up which will be copied and  
published by every newspaper al-  
ong the route way down to the  
Gulf of Mexico. This means much  
and a great help to put Three Lakes  
on the map. As soon as the weather  
will permit next spring the route  
will be marked with large steel  
signs and a united effort made to  
put the entire route in first class  
condition for travel.

## GOODNOW

Theo. Erlitz spent a couple of  
days in Rhineland last week.  
We had a bad snow storm Sun-  
day.

Nearly every one around here  
has been sick with colds.

The young people spent Sunday  
afternoon and evening at the D. J.  
Simons home. Supper was served  
and all enjoyed a good time.

Herman Erlitz spent Sunday and  
Monday at his home here.

Charles Steele left for Tomah  
Tuesday night.

Roland Simons went to Toma-  
hawk Tuesday.

E. Webster and R. Lokken saw-  
ed wood with their wood saw at  
C. Steele's Saturday and Monday.

WINTLE'S CONDITION SERIOUS

The Gladstone Reporter states  
that the injuries of Leo H. Wintel,  
Soo line engineer injured in the  
wreck of the Soo line flyer at Ga-  
gen, are reported to be very seri-  
ous.

His injuries are more serious  
than those of the other two men  
who were in the wreck. He is con-  
fined to his bed and will not be  
able to be about for six weeks or  
more. The accident has caused the  
indefinite postponement of the  
southern trip planned by Mr. and  
Mrs. Wintel.

## SOO SECTION MAN HURT

Herman Schultz, section fore-  
man for the Soo line at Prentice  
was badly hurt a few days ago  
when he was thrown from the top  
of a carload of logs.

Moved by Supervisor LeClaire seconded by Supervisor Binkley that the report be accepted as read and the proper officers instructed to draw orders for all bills allowed. Motion carried. All members present voting aye.

The following report of Committee on Illegal Taxes was read:

Report of Committee

To the County Board of Supervisors of Oneida County, Wis.,  
Gentlemen: Your Committee on Illegal Taxes beg leave to report that they have examined the following bills referred to them and recommend that they be allowed, disallowed or disposed of as set forth in schedule hereto annexed.

Dated January 16, 1917.

No. 1. We recommend that petition of Sam Batogowski for cancellation of certificate No. 1809 sale of 1913 on the NE SE 1-33-10 be granted for reason that taxes on said land were paid as shown by tax receipts No. 18-21 & 123 and that the amount be charged back to the Town of Three Lakes. The above description was doubly assessed.

No. 2. We recommend that petition of Alex Stypczynski for cancellation of Tax Certificate No. 2221, Sale of 1916 be granted for reason that said land at time of assessment was church property and not subject to taxation, amount to be charged back to Town of Three Lakes.

Moved by Supervisor Dunn seconded by Supervisor Barlow that report be accepted as read and proper officers instructed to draw orders for all claims allowed. Motion carried.

the committee on printing be authorized to receive bids and let contract for printing one thousand copies of the report of the Highway Commissioner for 1916. This contract shall also include the publication of this report in one issue of a Rhineland newspaper not later than March 1st, 1917.

Dated this 17th day of January 1917.

Moved by Supervisor Mentink seconded by Supervisor Binkley that Resolution be adopted. Motion carried, all members present voting aye.

Moved by Supervisor A. Olson seconded by Supervisor Binkley that Board adjourn until January 17th, 1917 at 9 o'clock a. m. Motion carried.

JOHN J. VERAGE, County Clerk.

Rhineland, Wis., Jan. 17, 1917, 9 o'clock a. m.

Board of supervisors of Oneida County, Wis., met pursuant to adjournment meeting called to order by Chairman Ira E. Smith. Roll call, all members present.

The following report of Joint Committee of County Board and Rhineland Advancement Association was read:

To the County Board of Oneida County.

We, your committee to designate where the proposed bond issue should be spent recommend that the attached list be and is hereby adopted as being satisfactory to this committee and ask that you adopt same.

Dated this 17th day of January, 1917.

FIRST BAPTIST CHURCH

Sunday school 10 a. m. Mr. W. N. Mackin Supt.

Morning worship and sermon 11 a. m. Subject: "The Reality of the Unseen."

Christian Endeavor 6:30. Leader, Miss Hilda Granquist.

"Loyalty to God, church, lodge and society," will be the sermon Sunday evening by Rev. Fred Wedge at the Baptist church.

Prayer and Praise service Thursday evening 7:30.

Look for the social evening date of the Christian Endeavors which will soon be announced.

Mr. Bucknam, the Oneida county temperance worker, spoke at the Baptist church Sunday evening and remarked that he had the largest crowd out that has attended any of his temperance addresses.

Rev. Wedge spoke at Minocqua Sunday morning 4nd evening.

Thursday evening is girls' night at the church gym. Mrs. Prudence Wedge will have charge of the work assisted by Miss Emily Mackin.

No boys under 15 are allowed in the gymnasium evenings as the management believes that youngsters at that age should be home at that time.

Boys' classes from four to five-thirty every afternoon except Thursday and Sunday.

Young men's classes from seven to nine. A very friendly athletic rivalry exists between the boys who are trying to make the boxing team. God wants strong athletic young men.

H. R. Goldstone returned Wednesday from St. Paul where he attended the out door sports carnival and also purchased goods for his store here.

At the Congregational church next Sunday morning the pastor will use as a subject, "Man." The message will be based on the words "Show thyself a man." The greatest need of a nation, of a community, of a town is men. Advancing civilization is calling for men, men of vision, of breadth of mind, of self control, men with the spirit of true service. Come out Sunday morning and think together along these lines.

At the vesper hour, 4:30, the theme will be, "What God Means To Us." "God's Relation To Individuals." Everybody turn out to the afternoon service if you wish this second service to continue.

Bible school at ten o'clock. Young People's Service at seven p. m.

Strangers are cordially invited to attend all or any of these services.

With a purchase of \$1.00 or more in merchandise on Saturday, Feb. 3, you can buy five yards of embroidery founcing as wide as 18 inch for only 50c, at Whittier's Store, "The barefoot boy."

Pad and packing without shoe.....40c  
Rubber pads without shoe.....\$1.50  
Pairing horses' feet, each horse.....35c  
Neverslip calks.....8c

All other general work in proportion to cost of material. Further prices according to fluctuation in iron and material, and all general work done by hour blacksmithing 65 cents, said agreement to take effect February 15th, 1917.

Hans Lehne, Ross & Benson, Novak & Salin, Carlson & Bodwin.

HANS LEHNE, President. FRITZ CARLSON, Secretary.

## Co. Board Proceedings

Rhineland, Wis., January 16, 1917, 2 o'clock p. m.  
Board of Supervisors of Oneida County, Wisconsin, met pursuant to adjournment. Meeting called to order by Chairman Ira E. Smith. Roll call. All members present.  
Talk by Judge C. F. Smith, and petition of Oneida County, Bar Association was read as follows:

### Petition

To the County Board, Oneida County:

Gentlemen: The Oneida County bar association, present this petition for the purpose of having action taken authorizing the interior decoration of the Court House and respectfully represent:

That the Oneida County Court House is one of the most beautiful public buildings in this state from an exterior view, while the interior is barren and barn-like in appearance, as the result of never having been finished with any sort of wall decoration.

It has now been six years since the building was completed and accepted by the county—the object made to decoration at the time of completion, viz: A bad roof and the danger of settling of the building have been removed, and the walls and the ceilings of the rooms can now be finished, without the danger of damaging or destroying any decoration placed on the same.

Your board at its annual meeting made an appropriation in the general fund of \$60,000, which amount has been levied for miscellaneous expenses of the county for 1917, and which fund will be in the County Treasury and available for use on or before June 1st, 1917. We believe that a small portion of this general fund could be profitably used in the finishing of the interior of the Court House, and that this work could never be done, more cheaply or with less inconvenience to the public and the tax payers, than during the present summer; the money to pay for the work being already levied in the general fund, it would require no special levy or tax to pay for the work, and there being no session of the court or of the County Board during the summer, there would be no inconvenience to business.

We further represent that as the county officers, courts and the members of the bar are more interested in the movement than other members of the public, they should be represented upon the committee having in charge, the selection of the style of decorations and the supervision of the work.

For the purpose of getting this work started and providing for its prosecution and the payment for the same, we have drawn a resolution which we submit herewith and we respectfully request that your board take up and adopt such resolution at his first regular session.

Respectfully submitted,

ONEIDA COUNTY BAR ASSOCIATION

### RESOLUTION

Resolved by the County Board of Supervisors of Oneida County, That it is the sense of this board that the interior of the Court House, including all offices, corridors and lobbies, should be permanently finished and suitably decorated with permanent finish.

That the chairman of this board, the district attorney, the county judge, the clerk of the circuit court, and one person to be selected by the County Bar Association be and hereby are constituted a special committee to procure such work to be done, and to obtain plans, estimates; to select styles and color of decoration; to make contracts for the work and to supervise the work as it progresses; to have such work done during the present summer, such work to be subject to the acceptance of the county board before final payment thereof, and that such committee serve without compensation;

That there be and hereby is appropriated from the general fund a sufficient amount of money, to pay for the work contracted for by said committee, not to exceed the sum of Four Thousand Dollars, and that the money necessary for the aforesaid purpose be paid from the general fund upon orders signed by the chairman of this board and the county clerk, after being approved in writing upon the back of each such order by the said special committee.

Offered and adoption moved by Supervisor Mentink.

Moved by Supervisor Mentink seconded by Supervisor Barlow that Petition and Resolution be referred to Committee on Public Property, and to report at the next meeting of the county board.

Motion carried, all members voting aye.

All bills on file were referred to proper committees.

On motion board took recess until 5 o'clock.

Board met pursuant to recess taken.

Moved by Supervisor Barlow seconded by Supervisor Michelson that Board adjourn until Jan. 17, 1917, 9 o'clock a. m. Motion carried.

JOHN J. VERAGE, County Clerk.

Board of Supervisors of Oneida County, Wis., met pursuant to adjournment meeting called to order by Chairman Ira E. Smith. Roll call. All members present.

Audit and Bonding Company's report was read.

Moved by Supervisor Baker seconded by Supervisor C. H. Olson that the balance sheet of the Auditor's report become a part of the board proceedings. Motion carried.

Moved by Supervisor C. H. Olson seconded by Supervisor Abbey that the report of the Audit and Bonding Company be accepted as read and placed on file. Motion carried, all members voting aye.

The following Resolution was read:

### RESOLUTION

The County Board of Supervisors of Oneida County, Wisconsin: Having on the 15th day of November 1916, determined that the sum of \$6,000.00 be raised by tax in the Town of Minocqua for the support of common schools in said town, for the ensuing year.

Resolved, That said board in making said determination intended and hereby determines and decides that said amount should and does include all school taxes levied in said town for said year by the school districts, electors, school boards and town board of said town, and said board did not and does not intend to levy said \$6,000.00 in addition to any amount voted or levied by said school districts, schools, school boards, or town board.

Introduced by J. M. Baker.

Dated January 17, 1917.

### RESOLUTION

The following Resolution was read:

Resolution offered by Supervisor C. H. Olson.  
Resolved by the board of Supervisors of Oneida County, Wisconsin, That the report of the Audit and Bond Co. of America be accepted and that the proper officers are instructed to draw a county order for \$425.00 as per contract dated Feb. 2nd, 1916.

Dated this 17th day of January 1917.

Offered and passage moved by C. H. Olson, Supervisor.  
Moved by Supervisor C. H. Olson seconded by Supervisor A. Olson that resolution be adopted as read. Motion carried all members voting aye.

Moved by Supervisor Bernstein seconded by Supervisor A. Olson that board adjourn until January 17, 1917 at 2 o'clock p. m. Motion carried.

JOHN J. VERAGE, County Clerk.

Rhineland, Wis., January 17, 1917, 2 o'clock p. m.

Board of Supervisors of Oneida County, Wis., met pursuant to adjournment. Meeting called to order by Chairman Ira E. Smith.

The following report of Committee on General Claims was read.

To the County Board of Supervisors of Oneida County, Wis., Gentlemen: Your Committee on General Claims beg leave to report that they have examined the following bills referred to them and recommend that they be allowed, disallowed or disposed of as set forth in the schedule hereto annexed.

Dated Jan. 16th, 1917.

# Kirstin Stump Puller

## One Man — Horse Power

**A money back bond. A 15-year guarantee against breakage. A warranted saving of from 10% to 50% over all other methods. A profit sharing plan.**

The most complete line of land clearing machines in the world. No matter how difficult your stump problem may be, there is a Kirstin to solve it.

Horse Power Pullers, many models for the deeply imbedded roots of all kinds and sizes, and the big fields of many stumps; Machines that clear your land rapidly and economically—that will pull anything they tackle.

One Man Stump Pullers get the biggest stumps, too. One man can carry, set and work them with ease. Horses unnecessary; come in two types, drum and chain.

Horse Power machines equipped with the new triple power device which greatly increases the pulling power, without strain on man, horse or machine. One Man Pullers equipped with double leverage which gives an ordinary farm boy a giant's power. The automatic take-up is a great time-saver, is on all machines, one man power and horse power.

The Kirstin Stump Puller has paid for itself in 30 days on most farms. It is now worth \$100 as an investment.

—W. T. TOMLIN  
Illinois City, Ill.

My Kirstin has pulled over 300 stumps, some of them with 100-pound 2 1/2 inch iron chains. It has pulled 100 lbs. of iron.

—C. S. MCNEILLY  
Pulaski, Idaho

**Send Today for Our New Free Book—"The Gold in Your Stump Land"**

It gives valuable information on all kinds of land clearing. It tells all about the Kirstin line of pullers—the most complete in the world—and explains Kirstin's famous "Money Back Bond." It has many photographs of stumps that the Kirstin has pulled, and letters from the men who pulled them. Don't let it pass you by. Write for it today. We will send it to you free of charge. No obligation. Just a willingness to show your Kirstin to your neighbors. Don't miss it.

### AN ORDINANCE TO REVISE, AMEND AND CONSOLIDATE THE ORDINANCES OF THE CITY OF RHINELANDER.

(Continued from New North issue of Jan. 18)

**CHAPTER 17**

**Section 1.—BUILDING INSPECTOR AND ELECTRICAL INSPECTOR.** The Chief of the Fire Department, City Engineer, or other designated official shall be ex-officio Building Inspector. He shall have the power, and it shall be his duty, to enforce the provisions of this ordinance and of all other ordinances of the city of Rhinelander, and all laws and lawful orders of the State of Wisconsin relating to buildings and electrical work, and for these purposes he shall have the right at all times to enter buildings and premises. He may appoint one or more members of his department as Deputy Building Inspectors and Deputy Electrical Inspectors, and may delegate to them the above mentioned powers and duties; but such appointment shall not carry with it any increase in salary or wages.

**Section 2.—BUILDING PERMITS AND INSPECTION.**

(1) No building or structure or any part thereof shall hereafter be built, enlarged, altered, moved or demolished within the city of Rhinelander (except as hereinafter provided) unless a permit therefor shall first be obtained by the owner, or his agent, from the Building Inspector. The term "building" as used in this section shall include any building or structure, and any enlargement, alteration, moving, or demolishing of any building or structure. Application for a building permit shall be made in writing upon a blank form furnished by the Building Inspector and shall state the name and address of the owner of the building and of the owner of the land upon which it is to be erected, and the name and address of the designer, and shall describe the location of the building and the purpose for which it is to be used, and shall obtain such other information as the Building Inspector may require. With such application there shall be submitted to the Building Inspector a complete set of plans and specifications including a situation plan showing the location of the proposed building with respect to adjoining streets, alleys, lot lines and buildings. Such plans and specifications shall be submitted in duplicate one set shall be returned after approval as hereinafter provided; the other shall remain on file in the office of the Building Inspector. All plans and specifications shall be signed by the designer.

If, in the opinion of the Building Inspector, the character of the work is sufficiently described in the application, he may waive the filing of plans, provided the cost of such work does not exceed \$2000. The Building Inspector may also waive the filing of plans for any residence which is located outside the fire limits and which accommodates one family only.

(2) If the Building Inspector finds that the proposed building will comply in every respect with all ordinances of the City of Rhinelander and all laws and lawful orders of the State of Wisconsin, he shall officially approve and stamp one set of the plans and return them to the owner, and shall issue a building permit therefor which shall be kept at the site of the proposed building. After being approved, the plans and specifications shall not be altered in any respect which involves any of the above mentioned ordinances, laws, and orders, or which involves the safety of the building, except with the written consent of the Building Inspector. In case adequate plans are presented the Building Inspector may, at his discretion, issue a permit for a part of the building before receiving the plans and specifications for the entire building. It shall be unlawful to commence work on any building or alterations before the building permit has been issued.

(3) A building permit shall have lapsed and be void unless building operations are commenced within six months from the date thereof.

(4) If the Building Inspector shall find at any time that the above mentioned ordinances, laws, orders, plans and specifications are not being complied with, he shall revoke the building permit by written notice posted at the site of the work. When any such permit is revoked it shall be unlawful to do any further work upon such building until the permit is reissued, excepting such work as the Building Inspector shall order to be done as a condition precedent to the re-issuance of the permit.

(5) This ordinance shall not be construed to require a permit for any repairs or minor alterations which do not change the occupancy, area, structural strength, fire protection, exits, light or ventilation of the building.

(6) Before receiving a building permit the owner, or his agent, shall pay into the city treasury the following fee: for new buildings and additions one cent for every cubic foot of the gross contents of the buildings; for alterations or repairs, or for structures which cannot be figured by cubic foot, one dollar for every one thousand dollars of their cost. In any case, the minimum fee shall be one dollar.

**Section 3.—ELECTRICAL WORK, PERMITS AND INSPECTION.** (1) All electrical work, including the placing of wires and other equipment, shall be done in conformity with the "National Electrical Code" which is hereby made a part of this ordinance, a copy of which is on file in the office of the City Clerk, and shall be done in such manner as, in the judgment of the Electrical Inspector, will not be liable to endanger life or cause fire.

(2) The Electrical Inspector shall make a thorough inspection of all electric wires and equipment within the city, at least twice a year. Whenever he shall find wires or equipment in a dangerous condition or so placed as to interfere with the work of the fire department, he shall notify the person using or operating

them, to place them in a safe and non-interfering condition, within ten days. Any person who fails to comply with any such order shall be guilty of a violation of this ordinance.

(3) The Chief of the Fire Department, the Electrical Inspector, or a competent person delegated by either of them, shall have the power to cause the removal of all wires, and the turning off of all electrical currents, where the circuits interfere with the work of the fire department during the progress of a fire.

(4) No electric wiring or other equipment shall be installed or altered without first securing a permit therefor from the Electrical Inspector. The application for such permit shall state clearly the work planned, alterations to be made, and equipment and materials to be used, and all later deviations from such plan must be submitted to and approved by the Electrical Inspector.

(5) Upon completion of the wiring of any building, or the completion of any outside construction work it shall be the duty of the person doing such work to notify the Electrical Inspector, who shall at once inspect the same and, if he finds the same to conform to this ordinance, shall issue a certificate of satisfactory inspection, which shall contain the date and an outline of the result of such inspection. It shall be unlawful to turn on the current until such certificate of satisfactory inspection is issued.

**Section 4.—CONSTRUCTION OF BUILDINGS.** The State Building Code of Wisconsin is hereby made a part of this ordinance with respect to those classes of buildings to which the said code specifically applies. Orders 5212 to 5223, inclusive, of the said State Building Code (relating to the protection of boilers, furnaces, stoves, smoke pipes, steam and hot air pipes, chimneys, etc.), and orders 5318 and 5320, inclusive, of the said State Building Code (relating to stud partitions, furring, floor joists, etc.) are hereby made a part of this ordinance with respect to all buildings or parts thereof hereafter constructed within the city of Rhinelander. The following terms, when used in this ordinance, viz: fireproof construction, mill construction, ordinary construction, frame building, height of a building, incombustible roof covering, fire wall, fire door, fireproof enclosure, fire extinguisher, shall have the meaning given in the State Building Code.

**Section 5.—UNSAFE BUILDINGS.** Whenever the Building Inspector shall find that any building, structure, or part thereof is unsafe, by reason of bad condition, defective construction, overloaded floors, decay, lack of guards against fire or other cause, he shall notify the owner or tenant thereof to cause the same to be made safe, and shall also affix a notice of the dangerous character thereof in a conspicuous place on the outside wall thereof, and no person shall remove or deface such notice. The owner or tenant of such building or structure shall thereupon immediately cause the same to be made safe, and if any such building is used for any purpose requiring a license, the mayor may revoke such license until the building is made safe to the satisfaction of the Building Inspector. Where the public safety requires immediate action, the Building Inspector shall enter upon the premises, with such assistance as may be necessary and cause the building or structure to be made safe or to be removed, and the expense of such work may be recovered by the city in an action against the owner or tenant. The fire department shall give all reasonable assistance to the Building Inspector in such work. If the owner or tenant of any such building or structure is dissatisfied with the decision of the Building Inspector as to the unsafe character thereof, the question shall be referred to a committee of three competent persons, one of the building, one by the mayor, and one by the two such committee, signed and sworn to, shall be conclusive.

**Section 6.—AUTOMOBILE GARAGES.** (1) By the term "Public or Commercial Garage" is meant a building or that portion of a building wherein are kept more than three automobiles or motor cars charged with or containing a volatile inflammable liquid for fuel or power.

Where any portion of a building is used for a garage, the garage shall be deemed to embrace all of the building not separated from the garage proper by standard fire walls. All openings in such walls shall be properly closed except when necessarily temporarily opened for passage.

A private garage housing not more than three automobiles if within 15 feet of any other building must be of incombustible material.

(2) By the term "Volatile Inflammable Liquid" is meant any liquid that will emit inflammable vapor at a temperature below 80 degrees Fahrenheit.

(3) No frame building shall be used as a public or commercial garage, and no building exceeding one story in height shall be used as such garage within the fire limits unless it be of fireproof construction. No basement or cellar shall be allowed under such garage, nor shall any building be used as such garage unless the floor on which automobiles containing volatile inflammable liquids are stored shall be of fireproof construction.

This applies only to garages hereafter built or altered.

(4) No stove, forge, torch, boiler or other furnace, garage, all electric dynamos and motors not actually part of the automobile, except "explosion-proof" or full-enclosed motors, shall be located not less than five feet above the floor. All incandescent lights so located

as to be exposed to mechanical injury shall be protected by approved wire guards, and all arc lamps shall be so located as to be safe from mechanical injury, and shall be of the enclosed type; approved re-enforced cord must be used where lamps are used for portable purposes. Movable incandescent lights in a garage shall be protected by approved metal guards and shall be fitted with keyless sockets, and all electric switches and plugs shall be permanently located at least five feet above the floor; cutout and service switches shall be enclosed in a fireproof cabinet. The entire electrical equipment shall conform to the "National Electrical Code."

(5) No volatile inflammable liquid shall be kept or carried in open vessels in a garage, and no volatile inflammable liquid shall be drawn except into approved safety cans of a capacity not exceeding five gallons each, and the, with the exception of liquids with flashpoint above 30 degrees Fahrenheit, only for the purpose of immediately filling the tanks of automobiles contained in a garage. In lieu of the above safety cans, portable filling tanks, not to exceed 60 gallons in capacity, may be used for transporting volatile inflammable liquid to and from the storage tanks for filling and charging the automobile. The said portable tanks shall be supported on rubber-tired wheels and liquids must be drawn by means of tight-fitting pump. Hose attachment must not exceed ten feet in length, equipped at the end with a shut-off valve.

(6) No volatile inflammable liquid shall be allowed to run upon the floor or to fall or pass into the drainage system of a garage, nor shall any such liquid be put into or removed from the tanks of a vehicle while any light or fire on the same is burning.

(7) Where electric charging apparatus is installed or placed in a public or commercial garage, all such apparatus except the wires leading to the automobile to be charged shall be placed within a room separated from the main garage by walls, of brick, tile, concrete, or solid plaster on metal lath; any openings from said room into the main garage shall be protected by self-closing fire doors, and door sills shall be raised at least eight inches above the floor level.

(8) No person shall smoke in any garage. A notice in large letters "NO SMOKING" shall be kept displayed in a conspicuous place and manner on all floors and at the entrance of all garages.

(9) On the floor of every garage there shall be constantly kept and maintained convenient receptacles filled with sand to be used in absorbing waste oils on the floor; in addition thereto sand shall be kept on every floor in boxes or buckets provided with hand scoops to be used for fire extinguishing purposes only. There shall be one such box or bucket for each two thousand square feet of floor area or fraction thereof, or in lieu of such boxes or buckets there may be maintained a cart on wheels filled with sand, such cart to hold not less than four cubic feet of sand.

(10) There shall be maintained at least one chemical fire extinguisher for each two thousand square feet of floor space or fraction thereof.

(11) Self-closing metal cans set firmly on four-inch legs shall be kept on all floors of every garage, into one such can for each twenty-five hundred square feet which all inflammable waste materials shall be deposited at all times when not in use, and there shall be of floor area or fraction thereof. The contents of all waste cans shall be removed from the building daily.

(12) Calcium carbide shall be kept in air-tight containers of non-combustible material, preferably galvanized iron of not less than 18 U.S. metal gauge, with bottom at least six inches above the floor, and having securely fastened automatic closing covers.

(13) Two printed copies of this ordinance shall be kept conspicuously posted on each floor of every public or commercial garage.

**Section 7.—FIRE LIMITS.** (1) The following shall be and are hereby declared to be the fire limits: Beginning at Minneapolis St. Paul & Sault Ste. Marie Railroad Thayer street crossing, following center of Minneapolis St. Paul & Sault Ste. Marie and Chicago & North Western "Y", then along Chicago & North Western Railway tracks following center of said Chicago & North Western tracks as far as Conro street.

West one-half of Block 4.  
West one-half of Block 9.  
All of Blocks 13, 14, 15, 20, 21, 24, 25, and west one-half of blocks 19 and 26, of the Original Plat; also Blocks 2 and 3 in 1st Addition to the city of Rhinelander.

(2) Every building hereafter erected or enlarged within the fire limits shall be of fireproof, mill, or ordinary construction, except as hereinafter provided. Enclosing walls shall be not less than 12 inches thick, except that curtain walls of concrete, properly reinforced, may be no less than 6 inches thick.

(3) No frame or wooden building or structure shall hereafter be built within the fire limits as given hereinafter, or within the fire limits hereafter established, except the following; and all roofs placed upon such buildings or structures shall have an incombustible covering:

(a) Temporary one-story frame buildings for use of builders.

(b) One-story sheds not over 15 feet high, open on the long side with sides covered with incombustible material, and with an area not exceeding 500 square feet. A wooden fence shall not be used to form the back or side of such sheds. The area of such shed may be increased to not more than 2,000 square feet, if no part of such shed is less than 10 feet distant from any adjoining lot line.

(c) Wooden fences not over 10 feet high.

(d) Piazas or balconies not exceeding 10 feet in width, nor extending more than 3 feet above the second-story floor beams. No such structure shall extend beyond the lot line, or be joined to any similar structure of another building.

(e) Bay windows when covered with incombustible material.

(f) Small outhouses not exceeding 150 square feet in area and 8 feet in height. No such structure shall be located within 5 feet of any lot line, nor less than 15 feet from any other building over one story high.

(g) Grain elevators, coal docks, or ice houses, not more than 40 feet high nor more than 6,000 square feet in ground area.

No frame building shall be moved, from without to within the fire limits.

(4) Any existing frame building within the fire limits, which may hereafter be damaged by fire, decay or otherwise to an amount greater than one-half of its present value, exclusive of the foundation, shall not be repaired or rebuilt, but shall be removed, nor shall any such buildings where the damage is less than 50% of its value be repaired without a permit. In case the owner of any such damaged building is dissatisfied

with the decision of the Building Inspector as to the per cent of damage sustained, then the percent of damage shall be determined by a committee of three competent persons, one of whom shall be appointed by the owner of the building, one by the mayor, and one by the two thus selected. The written decision of majority of such committee, signed and sworn to, shall be conclusive. Pending such decision, the building shall not be repaired or rebuilt.

(5) No building more than one story high shall be used for a public garage, or dry cleaning establishment, within the fire limits, unless it be of fireproof construction.

**Section 8.—BASEMENT SPRINKLER SYSTEMS.** (1) Every building hereafter constructed, greater than 3,000 square feet in ground area, (except buildings of fireproof construction having little or no combustible material in the basement and sub-basements) shall have its basement and sub-basements equipped with an automatic sprinkler system. Such sprinkler system shall be connected with the city water supply and shall also have suitable connection for the fire department and shall be installed in a manner satisfactory to the Building Inspector.

(2) In existing buildings greater than 3,000 square feet in ground area, a basement sprinkler system as described above shall be provided wherever, in the opinion of the Building Inspector, the condition of the building or contents is such as to require such protection.

**Section 9.—PENALTY.** Any person, firm, or corporation violating any provision of this ordinance either in letter or spirit, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than \$10 nor more than \$100, or by imprisonment in the county jail for a term of not more than 30 days, or by both such fine and imprisonment, and every day of violation shall constitute a separate offense. In any such action the fact that a permit was issued shall not constitute a defense, nor shall any error, oversight, or dereliction of duty on the part of the Building Inspector or Electrical Inspector constitute a defense.

**Section 10.**—This ordinance shall not be construed as assuming any liability on the part of the city or damages to any one injured, or any property destroyed, by any defect in any building or equipment, or any electric wiring or equipment.

**Section 11.**—This ordinance shall take effect and be in force 30 days after its passage and publication.

**CHAPTER 18.**

**GOVERNING THE SALE OF MILK AND CREAM**

**Section 1.**—After July, 1917, no person, person, or firm or corporation or company shall sell, deliver, or dispose of milk or cream within the corporate limits of the city of Rhinelander, Wisconsin, without having first procured a license therefor from the City Clerk of said city, which license shall be issued to all applicants upon payment of ten cents for each cow up to ten cows and one dollar for more than ten cows owned or controlled by him or them from which milk or cream is to be sold in said city (no license to exceed one dollar), and who shall have complied with the provisions of this ordinance on the first day of July. Said license shall remain in force until the first Monday of July next after the granting of same, unless sooner revoked by the Board of Health of said city. Each license shall keep his or their license constantly posted in a conspicuous place upon the wall or room within which such sale of milk or cream is carried on, or in a conspicuous place in the vehicle used in the distribution of sale of milk or cream.

**Section 2.**—Every person, firm, corporation or company making application for a license to sell, deliver or dispose of milk or cream in the city of Rhinelander, shall make application, in writing, stating the following:

1.—Name, residence and location of dairy or place of business of applicant.

2.—The number of cows from which is obtained for sale or controlled by applicant.

3.—If the applicant buys a portion or all of his milk or cream, then the source from which he obtains the milk or cream offered for sale.

If after the issuance of the license, any of the cows be disposed of or replaced by others, or if additional cows be added to the number stipulated in the certificate of health hereinafter mentioned, or if any change be made in the location of the dairy or place of business of the licensee, he shall forthwith inform the Board of Health of said city, in writing, of such change or increase in the number of cows.

**Section 3.**—Every person, firm or corporation applying for a license to sell, deliver or dispose of milk, or cream under this ordinance shall furnish with said application a certificate signed by a veterinarian authorized by the Board of Health to sign such certificate to the effect that all cows from which milk or cream is to be sold or disposed of are free from tuberculosis, and all other contagious, communicable or injurious diseases so far as may be determined by a physical examination and the test for tuberculosis. Such physical examination and tuberculosis test shall be conducted as prescribed by the Board of Health of said city and shall be made not more than six months prior to the date of the application for said license. If after the issuance of the license there are introduced into the herd any new cows, or any which have not been examined and tested as hereinafter provided.

**Section 4.**—It shall be unlawful for any person, firm or corporation to deliver, sell or dispose of, or offer for sale, any milk or cream within the city of Rhinelander, whose cows, stables, wagons, store or place where milk or cream is kept, stored or handled or conveyed are not thoroughly clean and in good sanitary condition, or whose bottles, cans, utensils, in which milk or cream is kept or stored, are not thoroughly cleaned, sterilized with boiling hot water each day and kept in good sanitary condition, or whose cows are in any way diseased or are not fed on good wholesome food or caring for and milking cows have their hands and the persons shall be free from any and every infectious or contagious disease, and no milk or cream shall be sold or disposed of for human food which was drawn from any animal within eight days before, or four days after parturition, or which shall be taken from any shop or other place in which there is a contagious or infectious disease, until all danger of contagion or infection therefrom shall have been removed and until permission is obtained in writing from the Board of Health authorizing the sale of milk or cream from such house or shop or other place.

(To be continued)

State of Wisconsin, County Court,  
Oneida County.

In Re estate of John H. Hagan,  
deceased. In Probate:

Notice is hereby given, That at the special term of the county court, to be held in and for said county, on the third Tuesday of February A. D. 1917, at the court house in the city of Rhinelander in said county, the following matters will be heard, considered, and examined and adjusted:

The application of Charles S. Crofoot for a conveyance to him of certain real estate by special administrator of the estate of John H. Hagan deceased, pursuant to a land contract dated the 20th day of July, 1914, made by such decedent in his lifetime, as set forth in the petition now pending in said court.

The application of said Charles S. Crofoot for the appointment of a special administrator for said estate.

Dated Jan. 23rd, A. D. 1917.

R. J. MORTER, Attorney.

By the Court,  
H. F. STEELE, Judge.

Northwestern Hide & Fur Co.  
Established 1899  
Minneapolis, Minn.

P. S. Our Sure Death Capsules for wolf, etc., are endorsed by the United States Government Forest Ranger as the best poison made—1 dozen \$1.00—\$1.75 per hundred, charges prepaid (By Express only.)

McCall's Decoy most powerful scent made 4 oz. 60c—1/2 pint \$1.00. Express or post-paid.

**VIOLIN SCHOOL**  
E. A. Cardin  
Pupil of Dana's Musical Institute.  
Temporary Studio at Miss Snyder's Residence, 226 South Stevens St.

**Cataract Cannot Be Cured**

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Cataract is a blood or constitutional disease, and in order to cure it you must take internal remedies. HALL'S CATARACT CURE is taken internally, and acts directly upon the blood and mucous surfaces. HALL'S CATARACT CURE is not a quick medicine. It is a regular prescription. It is composed of the best blood purifiers, a pure combination of the two ingredients is what produces such wonderful results in curing cataract. Send for testimonials, free.

F. J. CHENEY & CO., Toledo, O.  
Sold by druggists, rublelts.

Take HALL'S Family Tonic for constipation.

**WANTED TO BUY** — Sixteen cords green hard maple body wood or green hard maple and yellow birch, three foot lengths; twelve solid cords green hard maple or green hard maple and yellow birch, two foot lengths.

F. A. LOWELL

## PAPER MILL HAS HUMAN MACHINE

**Jimmy Robertson On Job All The Time And Never Runs Down**

Jimmy Robertson, an old, faithful and popular employee of the Rhinelander Paper Company, was honored with the following personal sketch in a recent issue of "Safety First," a little monthly publication issued by and for the employees of the paper company:

This mill runs approximately three hundred days per year and employs in the neighborhood of three hundred men and women. This would mean that if each man works three hundred days in the year, the total number of days worked by the 300 men would be 90,000. Suppose, for instance, that one of these 300 men was obliged to do all this work—these 90,000 days of labor, equal to 300 years. At a venture we will nominate Jimmy Robertson, not only on account of the hazardous nature of his work; but because he is about the steadiest man around the plant. In order to get in these 300 years Jimmy would have had to begin punching the clock back in 1616. It gives us much pleasure to think of Jimmy as one of the Puritans, shipping on the "Mayflower" as cabin boy, and landing at Plymouth Rock in 1620; helping to carve out a home in the wilderness, with no pay day, in sight; holding Miles Standish's coat while Miles fought the Indians, and giving on three kernels of corn a day.

We love to think of Jimmy as gliding easily down to us from our early colonial period. While always on the job in these past generations, he might have taken a day off once in a while to watch some of our benevolent ancestors burn a witch; or fight at Bunker Hill or Lexington. He probably danced the minuet with Martha Washington and possibly, later on, drove an ox team twenty miles to vote for Abe Lincoln.

Jimmy became one of the early pioneers of Northern Wisconsin, living for a long time at Tomahawk. This should not be held against him though as a man can live that down.

He finally works through these 300 years, except for a time in 1896, when he not only broke his arm, but also cut his fingers twice. This is the only time during the whole period when he was obliged to lay off from work. He probably would have had a lay off anyway, as nobody worked very much in 1896. Jimmy at last reaches the present era of world wars, world's series and short skirts and finds after taking inventory of his person, that he is entirely intact; and that during the whole three hundred years of employment he only broke his arm once and cut the ends of his fingers twice.

Of course, during this long period of toil, he, no doubt, received a great many little bumps and bruises which are hardly within our province to chronicle. We only mention the important things, and so, begging Jimmy's pardon, we will take our departure, leaving it to whom it may please to add further particulars, after the fashion of their own imagination.

Shun Indolence.  
Labor is the divine law of our existence; Indolence is desertion and suicide.—Marshall.

**It's mighty poor economy to buy a good car and keep it knocking around the place without a home of its own**

## An Economical Garage

is as good an investment as the car itself. It protects your investment in the car, gives you a chance to do your little "tuning-up" jobs in comfort, and adds years to the life of the car.

Anybody can afford a first class garage by building it of "Old Faithful" HEMLOCK, the all-around building lumber, according to our specially prepared

### FREE PLANS

Simply write "The Hemlock Manufacturers," Oshkosh, Wis., for their very little book on garages (say Book No. 4). It gives some very valuable information, pictures and plans of 4 practical garages that can be built for very little.

Present the COUPON, which is in the book, to us and get the working plans and specifications you want FREE with our compliments. HEMLOCK is out for SERVICE as well as good lumber—and so are we.

## Rhineland Lumber & Coal Co.

Lumber, Lath, Shingles, Flooring, Sash and Doors, Moulding, Brick, Coal, Lime, Fine Clay, etc. And a full line of other Building Materials.

RHINELANDER

## WESTERN POMONA MEETS FEB. 16

Western Pomona Grange will meet with Rhinelander Grange February 16, at Woodman hall. 10:30 Grange will open in due form. Welcome address by Bro. E. K. Reik, master of Rhinelander Grange.

11:00 Election and installation of six officers to fill the places made vacant by the withdrawal of those who joined Forest Pomona.

12:00 Dinner.

1:30 Song by the grange, "Work for the Night is Coming." Roll call to be responded by all members present with a joke, story or quotation.

2:00 "What varieties of apples are best suited to our section," by Bros. Juday, Wilde and Sister Mina S. Clark of Tomahawk Grange.

2:20 "A cook book proposition," by Sister Reik.

2:30 "To how great an extent may we profit by buying together and selling together," by Bros. Howe, Lyman and Dawes.

2:50 "Best method for strengthening and making more useful our Subordinate Granges," by Bros. Leith, Dawes and Sister Wilde.

3:20 Recitation, music or reading.

3:40 "National prohibition," by Sisters Crosby, Reik and Mackin.

4:00 General discussion.

4:20 "Lighting and heating the farm home," by Bros. Bohm, McLaughlin and Sister Howe.

4:40 Music and recitation.

5:00 Securing fifth degree members and getting acquainted.

6:00 Supper.

1:30 Song by the Grange, "Be Faithful O Patrons."

1:40 Exemplifying 5th degree.

8:00 Paper by Sister Segina Eide.

8:20 Music or recitation.

8:30 "Improvements of school grounds," by Bros. Lowell, Bernstein and Sister Smith.

9:00 Piano solo by Sister Erick.

All grange members are requested to attend this meeting. Visiting members are kindly asked to bring something in the food line such as sandwiches, cake and doughnuts. This is a short program but there are other topics of interest to be discussed.

## GAGEN

Mr. and Mrs. C. Blumrich were Starks visitors Sunday.

H. F. Purdy is numbered with the sick this week.

Mrs. Earl Matteson and baby Mabel were in Rhinelander Tuesday and Wednesday, guests of her parents, Mr. and Mrs. T. O. Bartlett.

Rev. W. Wilson of Rhinelander was in the village Tuesday.

W. Miller and H. Houser of Minneapolis transacted business in the village last week.

Ruth and Isabelle Anderson are on the sick list this week.

Church services were conducted in the school house Tuesday evening by Rev. T. V. Jenkins of Elcho.

Mrs. R. C. Luedke will entertain the Ladies' Aid, Thursday Feb. 1.

Mrs. H. D. Johnston was a Rhinelander visitor Wednesday.

Rev. Jenkins and wife and son Thomas were the guests of village friends, Tuesday.

All Credit Belongs to Woman.  
A man is a great thing upon the earth and through eternity; but every jot of the greatness of man is unfolded out of woman.—Walt Whitman.

## BOND ISSUE IN MANY COUNTIES

**Oneida Not To Be Alone In Voting For Highway Improvement**

Oneida is not the only county in Wisconsin which will vote on the question of issuing bonds for good road improvements at the April election. Up to date eight other counties have decided to vote on the proposition.

A proposal for a bond issue simply means that the roads are not being built fast enough under the present taxation method, and that the people are willing to go into debt to secure the roads quicker. It is the best indication of the tremendous trend of sentiment for good roads.

One of the striking facts indicating the progress of the road movement in Wisconsin, is the increasing tendency of counties to eliminate the town, constitute the county the unit of road construction, and lay out a county trunk line system covering the main arteries of traffic on which all of the state aid money is spent.

At the recent meeting of the county boards, the following counties voted to go on the county unit this year: Washburn, Clark, Portage, Sawyer, Waupaca, Waukesha, Dane.

The following voted to go on this unit in 1918: Walworth, Barron, Iowa, Grant, Columbia and Winnebago.

The following counties passed resolutions for referendum on bond issue at the spring election, and if the bonds are voted, must go on the county unit: Buffalo, Calumet, Shawano, and Washington.

In a word, thirteen counties took a great forward step at the November meetings of the county boards.

The following counties have been operating under the county unit making twenty-nine counties in all: Ashland, Bayfield, Chippewa, Douglas, Eau Claire, Florence, Fond du Lac, Iron, Milwaukee, Oneida, Outagamie, Polk, Racine, Richland, Rusk and Vilas.

## BIG LOG LOAD

On January 27 at Brooks & Ross' camp 7 near Boulder Junction, William Haviland, foreman, there was loaded one of the largest load of logs ever hauled on sleighs in northern Wisconsin. The scale amounted to 18,780 feet and the load was put on 12 foot bunk. George Brock was the top loader and Alfred Carlson of this city, scaler.

When it comes to putting up the big loads, Mr. Haviland, or "Bill" as his friends call him, is certainly there.

## MONICO

Mrs. J. Murphy visited relatives at Antigo Wednesday.

Mrs. Grossman Sr. of Pelican was here between trains Sunday.

Miss Bartlett spent Saturday and Sunday at her home at Rhinelander.

Prof. Harrington left for his home at Oshkosh Tuesday to attend the funeral of his mother. During his absence here Miss Gillson took his place, and Miss Ruth Saterstrom of Rhinelander took Miss Gillson's place as teacher.

Mrs. Wesolowski was a caller at Rhinelander Saturday.

Lottie Roughan returned from her visit at Hiles and Eagle River last week.

Mr. Bergande was a business caller at Rhinelander Saturday.

A sleigh ride party consisting of Anna Lagon, Elaine and Loraine Murphy and Mr. Murphy and Earl Smith drove out to Bloomer's camp Sunday afternoon.

Mr. and Mrs. Smith made a trip to Rhinelander Saturday.

G. Wesolowski was a Rhinelander caller Monday.

Marie Celic spent Sunday at her home at Antigo.

Mr. and Mrs. R. Pederson and children were at Rhinelander Friday.

Mrs. A. K. Jilkson was at Rhinelander Saturday afternoon.

R. Ainsworth is on the sick list this week.

R. Harrington returned from his home at Oshkosh Sunday.

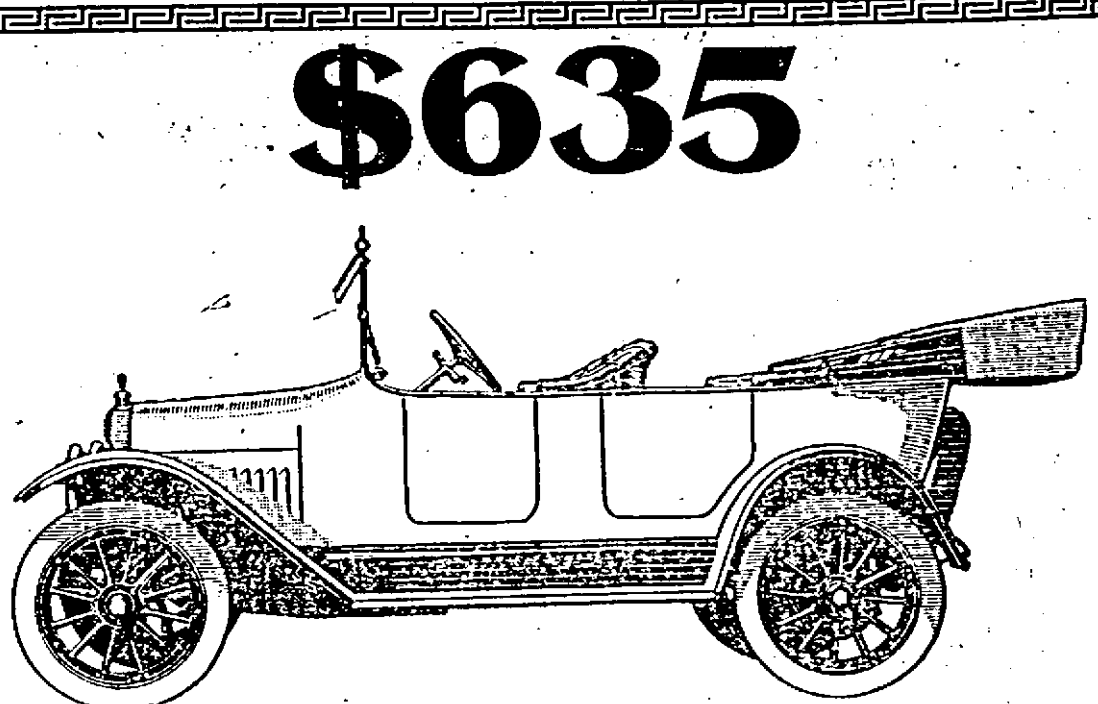

Ruth Saterstrom returned to Rhinelander Saturday.

Fay Rogers spent Saturday and Sunday at camp.

P. E. Kabel of Rhinelander called on old friends here Monday.

### Fiji Islanders Civilized.

The Fiji Islanders of today are more orderly and sober than any peoples of European ancestry, and illiteracy is rarer in Fiji than in Massachusetts, writes Dr. A. G. Mayer in Popular Science Monthly. You were safer even 15 years ago in any part of Fiji, although your host knew how you tasted, than you could be in the streets of any civilized city. It is clear that in disposition the Fijians are not unlike ourselves, and only in their time-honored customs were they barbarous. Indeed the lowest human beings are not in the far-off wilds of Africa, Australia or New Guinea, but among the degenerate of our own great cities. Nor are there any characteristics of the savage be he ever so low, which are not retained in an appreciable degree by the most cultured among us.

# Maxwell

THE DOMINANT MOTOR CAR VALUE

THINK back three years — when the Maxwell Motor Company was organized. You read the announcement then—this Company would produce a high-grade automobile — make it complete—as the public wanted it — and sell it at a very moderate price.

We asked your confidence at that time—asked you to wait and see the result. The first car was an innovation—was an unheard of value in the motor car industry.

The Maxwell Car made good from the first—and it has steadily been improved. When we had made it exactly as we wanted it—as you wanted it—the price at which we sold it was everywhere conceded to represent the utmost value that could be obtained in any motor car.

All this time, the Maxwell organization was improving its manufacturing process—was standardizing every part of the car—and to-

day the new price, \$635, is the result of close adherence to the Company's original plan.

Our materials are purchased in large quantities at advantageous prices, our parts are manufactured in enormous quantities—our whole organization is efficient. There is no wait—no loss of time, labor or materials. The Maxwell is a "standardized" organization.

And now, people are realizing that a product may be "possible" for the Maxwell Company—and impossible for others.

They are realizing that the Maxwell ideal is being fulfilled to the letter.

And they are coming to Maxwell dealers by the thousands to buy Maxwell Cars—and demanding them immediately. Never in the history of the great success of this Company has the demand even approached the mark that is now being set.

Roadster, \$620; Touring Car, \$635; Light Delivery Chassis \$585;  
All prices f. o. b. Detroit. All cars completely equipped,  
Including electric starter and lights.  
One Ton Truck for delivery after March 1st, \$795

## W. C. T. U. PLANS ESSAY CONTESTS

**Something New In Oneida County—Give Prizes For Best Papers**

Something new has been started in Oneida county, it is however not new to many other parts of the United States.

Every state in the union has a law requiring the teaching in the schools of the effect of alcohol and other narcotics and for years the national, state and local Women's Christian Temperance Union have conducted essay contests with money prizes, to encourage the young people in the schools to express in good language some of the points gathered from this teaching.

Contests have been started in the 7th and 8th grades of the county schools, and also the 7th and 8th grades of the city and parochial schools, the Training school and the high school. The work can be done either in connection with the school work or the essay can be written outside. The prizes are, for the high school, \$3, \$2, \$1 and 50c for the four essays selected by competent judges. The prizes offered for the county and city 7th and 8th grades and Training school, are \$2, \$1, 50c and 50c.

The list of subjects is as follows: High school—"Alcohol and the Laborer," "Alcohol and Insanity," "Alcohol and Crime," "Alcohol and Heredity," "Alcohol and Tobacco," "The National Govern-

ment and the Trade in Intoxicants," "The Decision of the Courts with Reference to Intoxicants," "Training school—"The best method of teaching the nature and effect of narcotics (including alcohol) in the grades," 7th and 8th grades, subjects—"Why business men demand total abstinence on the part of their employees," "Intoxicants and athletics," "Narcotics and scholarship," "The harm in a moderate use of alcohol," "The harm in the use of tobacco."

The best of these essays are sent on to compete for the state prize of \$1 each. The National W. C. T. U. also gives a prize of \$30 for the best 7th and 8th grade essay written in U. S. and \$50 for the high school prize.

The best essays will be published in the papers after they are judged. It is also planned to hold a public meeting at which ten of the essays will be read.

## TOMAHAWK LAKE

F. A. Reick and wife were Rhinelander callers Saturday.

Mrs. W. Lathrop and daughter Lois are visiting in Wausau.

Ed. Montgomery's is improving slowly.

Alice Gray is home for the balance of the winter.

Section Foreman Swaska has a new Casey Jones on his car.

Mr. White of Antigo is moving onto the depot until A. Wilde returns from the west.

Max Swaska is back from his vacation.

Mrs. Juntgen of McNaughton Sundayed with her sisters, Mrs. Robert Reed and Mrs. Swaska.

The Hoffmanns have sent for a clover huller attachment to their thrasher outfit.

## TRIPOLI

The T. C. A. High and Tripoli Graded School Notes

The freshmen English class is arithmetic for this quarter.

Another pupil, Linda Tikkanen was added to the freshman class this semester.

The reviews class has taken up arithmetic for this quarter.

The algebra class is studying fractions.

At its last meeting the literary society elected the following officers:

Vienna Salmi, President.

Mary Sari, Vice President.

Edna Meyer, Secretary.

Leah Marshine, Treasurer.

Lewis Carter, Sergeant at Arms.

The following program will be rendered next Friday afternoon:

Roll call. Quotations from Franklin Song, "The Blue Bells of Scotland" Current Event, Esther Isaacson.

Debate: Resolved that President Wilson should intervene in Mexico.

Affirmative, Lewis Carter, Olga Marshine.

Negative, Edna Meyer, Lily Isojoki.

Reading, Ida Petaja.

Song, By the boys.

The slides shown by Professor Robinson on Monday were on gardening, showing how flowers, vines etc., will change the appearance of the home and what school children can do in the line of raising vegetables.

The monthly examinations will be given this week to the graded school students.

The program for the next half will be altered somewhat. The 6th grade will have history instead of physiology, etc.
